**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have a small business I run from my home which relies on the internet for sales. I prefer my local internet provider, LMI, to AT&T because I can go to their office with my laptop and talk to them about any problems. They are responsive and helpful. I have been with them for many years and do not want to switch.

Comcast and AT&T do have competitors here in Berkeley, and this is how our economic system is supposed to work. Do not eliminate competition!
