**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want more competition so that providers are forced to provide better service to customers. I have had terrible experiences with the two big providers in my area, providing shoddy service and speeds that don't meet promises. Phone and internet access is vital to participation in our current culture and constant price hikes can make it unaffordable for struggling parents in my area.
