Dear Valued Customer,

In order to more efficiently serve our valued customers, on January 1, 2018, Franklin Telephone Company ("Franklin") will assume direct responsibility for the provisioning of long distance previously provided to you by our affiliate, Delta Telephone Company, Inc. **This change does not affect your services or rates.**

You may choose another carrier for your long distance telephone service; however, unless you elect to change your long distance company, **no action is required by you. You will continue to receive the same, excellent services without interruption.** You will not be charged any carrier-change fees as a result of any changes made prior to January 1, 2018.

If you have a freeze on your preferred long distance carrier, that freeze will be automatically lifted on January 1, 2018 in order to complete this change. If you would like to re-apply this freeze, please contact our Customer Service at the numbers provided below **after** January 1, 2018 to re-apply the freeze. Please note that any "freeze" you have placed on your existing telephone lines to prevent unauthorized transfer to another long distance carrier will be over-ridden for purposes of this transaction, and will need to be reinstated by you after the transfer is complete.

Providing excellent and uninterrupted service to our valued customers continues to be our top priority. **Your existing rates, billing plans, and statement dates will remain the same, with no changes.** The Franklin Customer Service number is toll-free at 1-877-433-7878. Please use this number for any questions or concerns you may have prior to or during the transfer period.

Thank you for your business.
