Appeal to the FCDL for FY 2018-2019, Wave # 8, FRN: 1899012703

E-rate Program: CC Docket No. 02-6

Academia Cristo Rey; BEN: 159118

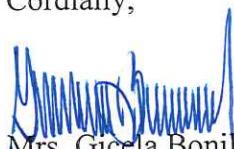

This letter is to appeal the decision on the FCDL on Wave 5 in regards to BEN: 159118, Academia Cristo Rey.

I would like to inform and update that we currently have 620 fulltime students of which 466 are eligible for the National School Lunch Program. This was informed on the narrative section on the FCC Form 471, 181008085. On August 31, 2018 I filed an appeal thru the EPC portal just 52 days after the time frame given on the RCDL, wave 8. Unfortunately, we were unable to file the appeal to USAC within the time frame because during the months of June and July we had very low administrative personnel available. Given the amount of administrative work that piled up after the Hurricane Maria, we focused on making sure the students enrolments went as smooth as possible to ensure we stayed on track to begin the new school year.

We kindly request that the discount rate be revised from 80% to 90%.

Please let us know if additional information needs to be provided to ensure all requirements are met to update the discount rate. You may contact me at 787-843-0766.
