The Honorable Ajit V. Pai
Chairman
Federal Communications Commission
455 12th Street, Southwest
Washington, DC, 20544

Dear Chairman Pai,

I am writing to express my concern about and disapproval of the proposals and tentative conclusions set forth in the FCC's September 25 Further Notice of Proposed Rule Making in *Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992*, MB Docket 05- 311.

I was recently elected to Vermont State Senate and my district includes the towns of Georgia and Fairfax, Vermont, both of which are served by Lake Champlain Access Television (LCATV).

Years ago, when I was first interested in local issues as a middle school student, it was my local public access TV station that allowed me to do a "man on the street" segment to interview people about the pressing issues facing our local community. That interest allowed me learn more about politics and led me to serving two terms in the Vermont House and now the Vermont Senate. LCATV allows that same opportunities for our community members to be heard and to learn from their neighbors.

The presence of Vermont's 25 Community Access Centers enables the residents of Vermont to watch uniquely local programming about their community and local events and issues of interest to them. And that was the intent of the PEG provisions of the 1984 Cable Act – to enhance local voices, serve local community needs and interests, and strengthen our local democracy. By defining "franchise fee" in an overly broad fashion to include "in-kind" support, the FCC's proposals will shift the fair balance between cable franchising authorities and cable operators – something that was never the intent of the Act – and could ultimately result in such reduction in franchise fees as to defund PEG Access in our state.

We appreciate your consideration and hope you will protect PEG channels in our community and others by choosing not to adopt many of the proposals in the Further Notice.

Sincerely,

Corey Parent
State Senator – Elect
