**Re: Connect America Fund, WC Docket No. 10-90**

Dear Ms. Dortch:

On November 28, 2017, Jonathan Banks and Lynn Follansbee of USTelecom met with Amy Bender, Legal Advisor to Commissioner Michael O’Rielly, to discuss the Universal Service Fund High Cost budget. USTelecom expressed support for both long-term and short-term solutions to ensure sufficiency within the High Cost fund to support the shortfalls in funding for rural areas.

We discussed how the insufficiency of funding has effected broadband providers ability to build out fiber to rural areas and how all of the reforms with the Connect America Fund in the last several years have been a positive step toward connecting rural America, except that the lack of funding has had a significant impact on the effectiveness of the programs.

We also discussed data showing the decline in capital investment in broadband over the last two years.

Please contact the undersigned should you have any questions.

Respectfully submitted,
