**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition.

More competition means better and less expensive options are available to me the consumer. I am currently with Sonic.net because it has the best option for me. None of the big providers offer this particular service.

I am also against price hikes that will increase the cost of Internet and telephone services overall.
