Re: *Ex Parte* Communication in MB Docket No. 117-317 (Electronic Delivery of Cable Communications) and MB Docket No. 17-105 (Modernization of Media Regulation Initiative)

Dear Ms. Dortch:

On November 27th, I spoke by telephone with Martha Heller of the Media Bureau regarding the questions in the Notice of Proposed Rulemaking seeking comment on whether to allow subscriber privacy notifications required for cable operators pursuant to Section 631 of the Communications Act of 1934, as amended (the "Act"), to be delivered electronically. I requested that they also ask similar questions regarding DBS notice requirements under Section 338(i) of the Act as the language in both Sections 631 and 338(i) is identical.

Respectfully submitted,

Stacy Fuller
