Dear Chairman Pai,

I write to support the Comments of the Cable Act Preservation Alliance ("CAPA") and to disapprove of the proposals and tentative conclusions set forth in the FCC's September 25 Further Notice of Proposed Rule Making in Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992, MB Docket 05- 311.

Until very recently, I was a longtime resident and business owner in Cambridge, Massachusetts. I am very familiar with Cambridge Community Television (CCTV) and believe that this organization has provided a unique and extremely valuable service to the city. CCTV has a long history in Cambridge and has provided generations of its citizens with quality programming and education. It would be a tragedy if this loss of funding were to occur because it could very well mean the end of this incredible organization.

I strongly urge you to continue the Commission's support of community media. Thank you.

Yours truly,

Joyce Kauffman
