**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need competition. Comcast and others want to keep their lock on broadband. I have preordered a smaller local company. Please do not stifle Lower cost and net neutrality that would result if this competition is foreclosed by acceding to the major carriers desires. We need good local responsive providers.
