**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please save the competition. Sonic is keeping ATT and Comcast on their toes, as Sonic is better and cheaper. I used to have ATT DSL and I was constantly dropped and their customer service was terrible. As you know, broadband is essential for people today. I work from home, and therefore keep carbon out of the environment by not driving a car. PLEASE, save the competitive marketplace.
