Dear Chairman Pai,

I write to support the Comments of the Cable Act Preservation Alliance ("CAPA") and to disapprove of the proposals and tentative conclusions set forth in the FCC's September 25 Further Notice of Proposed Rule Making in Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992, MB Docket 05- 311.

I have seen firsthand how important community media is, as both a participant and a member of the Cambridge community. It is as important as public libraries, because it adds to the rich fabric of the community landscape. Surely you can find a place for something this valuable for communities across the country. Community health and richness goes beyond financial gain.

Thank you,

Ben Bokaer
