Dear Chairman Pai,

I write to support the Comments of the Cable Act Preservation Alliance ("CAPA") and to disapprove of the proposals and tentative conclusions set forth in the FCC's September 25 Further Notice of Proposed Rule Making in Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992, MB Docket 05-311.

For me, Community Cable Access Television has kept me in touch with local community events. Without the requirement for cable stations to fully support community media, it will disappear. The selfish reputation of cable companies will increase along with the partnership of this current administration.

Sincerely,

A handwritten signature in cursive script, appearing to read "Theodore Ruetenik".
