Section II - LEGAL QUALIFICATIONS

Name of Applicant

ADAMS RIB, INC.

1. Applicant is: *(Check one box below)*

- (a) governmental or public educational agency, board or institution
- (b) private nonprofit educational institution
- (c) Other *(specify)*

2. For applicants 1(c) only, describe in an Exhibit the nature and educational purposes of the applicant.

Exhibit No.
A

3. For applicants 1(c) applying for a new noncommercial educational television station only, describe in an Exhibit how the applicant's officers, directors and members of its governing board are broadly representative of the educational, cultural and civic segments of the principal community to be served.

Exhibit No.
N/A

4. Describe in an Exhibit how the proposed station will be used, in accordance with 47 C.F.R. Section 73.503 or Section 73.621, for the advancement of an educational program.

Exhibit No.
B

5. Is there any provision contained in any by-laws, articles of incorporation, partnership agreement, charter, statute or other document which would restrict the applicant in advancing an educational program or complying with any Commission rule, policy or provision of the Communications Act of 1934, as amended?

Yes No

If Yes, provide particulars in an Exhibit.

Exhibit No.
N/A

CITIZENSHIP AND OTHER STATUTORY REQUIREMENTS

6. (a) Is the applicant in violation of the provisions of Section 310 of the Communications Act of 1934, as amended, relating to interests of aliens and foreign governments? (See Instruction B to Section II.)

Yes No

(b) Will any funds, credits or other financial assistance for the construction, purchase or operation of the station(s) be provided by aliens, foreign entities, domestic entities controlled by aliens, or their agents?

Yes No

If the answer to (b) above is Yes, attach an Exhibit giving full disclosure concerning this assistance.

Exhibit No.
N/A

7. (a) Has an adverse finding been made or an adverse final action taken by any court or administrative body as to the applicant or any party to this application in a civil or criminal proceeding brought under the provisions of any law related to the following:

Any felony; broadcast related antitrust or unfair competition; criminal fraud or fraud before another governmental unit; or discrimination?

Yes No

(b) Is there now pending in any court or administrative body any proceeding involving any of the matters referred to in (a) above?

Yes No

If the answer to (a) and/or (b) above is Yes, attach an Exhibit giving full disclosure concerning persons and matters involved, including an identification of the court or administrative body and the proceeding (by dates and file numbers), a statement of the facts upon which the proceeding is or was based or the nature of the offense alleged or committed, and a description of the current status or disposition of the matter.

Exhibit No.
N/A

PARTIES TO APPLICATION

8. Complete the following Table with respect to all parties to this application:

(NOTE: If the applicant considers that to furnish complete information would pose an unreasonable burden, it may request that the Commission waive the strict terms of this requirement with appropriate justification.)

INSTRUCTIONS: If applicant is a corporation or an unincorporated association with 50 or fewer stockholders, stock subscribers, holders of membership certificate or other ownership interest, fill out all columns, giving the information requested as to all officers, directors and members of governing board. In addition, give the information as to all persons or entities who are the beneficial or record owners of or have the right to vote capital stock, membership or ownership interests or are subscribers to such interests. If the applicant has more than 50 stockholders, stock subscribers or holders of membership certificates or other ownership interests, furnish the information as to officers, directors, members of governing board, and all persons or entities who are the beneficial or record owners of or have the right to vote 1% or more of the capital stock, membership or ownership interests. If applicant is a governmental or public educational agency, board or institution, fill out columns (a), (b), and (c) as to all members of the governing board and chief executive officers.

Name and Residence Address(es) (a)	Office Held (b)	Director or Member of Governing Board		% of: Ownership (O) or Voting Stock (VS) or Membership (M) (d)
		YES	NO	
		(c)		
MARY L. SMITH 2711 HIGHWAY 62 JEFFERSONVILLE, IN 47130	PRESIDENT	X		50% (M)

Section II - LEGAL QUALIFICATIONS (Page 3)

9. Does the applicant or any party to this application have, or have they had, any interest in:

(a) a broadcast station, or pending broadcast station application before the Commission?

Yes No

(b) a broadcast application which has been dismissed with prejudice by the Commission?

Yes No

(c) a broadcast application which has been denied by the Commission?

Yes No

(d) a broadcast station, the license of which has been revoked?

Yes No

(e) a broadcast application in any pending or concluded Commission proceeding which left unresolved character issues against the applicant?

Yes No

If the answer to any of the questions in (a)-(e) above is Yes, state in an Exhibit the following information:

Exhibit No.
C

- (1) Name of party having interest;
- (2) Nature of interest or connection, giving dates;
- (3) Call letters of stations or file number of application or docket; and
- (4) Location.

SECTION III - FINANCIAL QUALIFICATIONS

Note: If this application is for a change in an operating facility, DO NOT fill out this Section.

1. Is this application contingent upon receipt of a grant from the National Telecommunications and Information Administration? Yes No
2. Is this application contingent upon receipt of a grant from a charitable organization, the approval of the budget of a school or university, or an appropriation from a state, county, municipality or other political subdivision? Yes No

NOTE: If either Questions 1 or 2 is answered "Yes," your application cannot be granted until all of the necessary funds are committed or appropriated. In the case of grants from the National Telecommunications and Information Administration, no further action on your part is required. If you rely on funds from a source specified in Question 2, **you must advise the F.C.C. when the funds are committed or appropriated.** This should be accomplished by letter amendment to your application, in triplicate, signed in the same manner as the original application, and clearly identifying the application to be amended.

3. The applicant certifies, except as noted above, that sufficient net liquid assets are on hand or that sufficient funds are available from committed sources to construct and operate the requested facilities for three months without additional funds. Yes No

SECTION IV - PROGRAM SERVICE STATEMENT

Attach as an Exhibit, a brief description, in narrative form, of the planned programming service relating to the issues of public concern facing the proposed service area.

Exhibit No.

D

NOTE: No program service statement need be filed where the proposed station's programming would be **wholly** "instructional" as that type of programming is defined in the Instructions to this Section.

SITE CERTIFICATION

Adams Rib Inc. has reasonable assurance, in good faith, that the site and structure proposed in the engineering portion of this application, as the location of its transmitting antenna, will be available for the applicant's intended purpose. The applicant certifies that it has obtained such reasonable assurance by contacting the owner and person possessing control of the site of the structure.

**ARTICLES OF INCORPORATION
OF**

ADAMS RIB, INC.

The undersigned incorporator or incorporators, desiring to form a corporation (hereinafter referred to as the "Corporation") pursuant to the provisions of the Indiana Not-For-Profit Corporation Act of 1971, (hereinafter referred to as the "Act"), execute the following Articles of Incorporation:

ARTICLE I

Name

ADAMS RIB, INC.

The name of the Corporation is
(The name shall include the word "Corporation" or "Incorporated", or one of the abbreviations thereof.)

ARTICLE II

Purposes

The purposes for which the Corporation is formed are: exclusively for charitable religious, educational, and scientific purposes, including, for such purposes, the making of distributions to organizations under section 501(c)(3) of the Internal Revenue Code of 1954 (or the corresponding provisions of any future U.S. Internal Revenue Law), and is not a membership corporation.

A. The specific and primary purpose is to own and operate one or more Christian Interdenominational Churches to minister to spiritual needs, especially through preaching of the Holy Bible; to assist with godly counsel in times of decision, stress and difficulty; provide opportunities for Christian fellowships; serve in matters of religious instruction; sustain the congregation by prayers and concern of fellow believers in any of the distressing circumstances of life; be a sound steward of the congregations financial and personal investments in the Kingdom of God.

B. The ownership and operation of one or more Christian Coffeehouses for Christian Praise Clubs). This is to encourage Christian fellowship among any and every member of the community without regard to religious affiliation, age, sex, race, skin, color, or nationality background. This outreach will encourage the living of a consistent Christian life. It will provide a means for Christian testimony by word and life on a person-to-person basis.

C. The donation of money and supplies for the relief of human need and suffering in all parts of the world, including the United States of America.

NOTE: "Not-for-Profit" as applied to corporations means, "... any corporation which does not engage in any activities for the profit of its members and which is organized and conducts its affairs for the purposes other than the pecuniary gain of its members". (Indiana Code, 23-7-1.1-2[d])

**ARTICLE III
Period of Existence**

The period during which the Corporation shall continue isperpetual.....
(either "Perpetual", or, if limited, some definite period of time.)

**ARTICLE IV
Resident Agent and Principal Office**

Section 1. Resident Agent. The name and address of the Corporation's Resident Agent for service of process isMARY L. SMITH, 2711 HIGHWAY 62, JEFFERSONVILLE, IN. 47130.....
(Name)

.....2711 HIGHWAY 62.....JEFFERSONVILLE.....INDIANA.....47130.....
(Number and Street or Building) (City) (State) (Zip Code)

Section 2. Principal Office. The post office address of the principal office of the Corporation is
Corner of Chestnut & Walnut Sts. JEFFERSONVILLE.....INDIANA.....47130.....
(Number and Street or Building) (City) (State) (Zip Code)

(Resident agent and principal office address must be located in Indiana.)

**ARTICLE V
Membership**

A minimum of three (3) persons shall have signed the membership list. (Directors or Trustees or Incorporators may be included in the Membership.)

Section 1. Classes (if any): NONE

Section 2. Rights, Preferences, Limitations, and Restrictions of Classes:

The private property of the incorporators, directors, officers, and members of this corporation shall not be subject to any indebtedness incurred by the corporation.

Section 3. Voting Rights of Classes:

n/a

ARTICLE II (continued)
Purposes

d. The conduct of education, including the operation of Bible schools and Bible correspondence courses.

e. The ownership and operation of one or more printing plants or publishing houses for the publication and distribution of Christian literature of all types.

f. To own and operate one or more Christian television and/or radio broadcasting stations that engage in any or all forms of Christian Broadcasting activity including, but not limited to television, AM & FM radio, short-wave radio, microwave communication, closed circuit television, cable television and subscription broadcasts and to produce, syndicate and distribute radio and television programs.

g. The production and distribution of Christian educational programs on films, tapes, slides, or other audio or visual devices suitable for projection and broadcasting.

h. The encouragement of every means, including the donation of money and equipment which conveys Christian truth.

i. To own and operate one or more Christian Daycare Centers for the purpose of raising funds.

ADVANCEMENT OF EDUCATIONAL PROGRAM

The proposed station will advance an educational program by providing quality noncommercial FM radio programming including educational, public affairs and gospel music to the community of license and vicinity.

The applicant is a nonprofit educational organization whose primary purpose is Christian education and the facilities will be used primarily to serve the educational needs of the community of New Albany, Indiana.

A combination of general educational, instructional, public affairs, light entertainment, entertainment, other and religious programming is proposed. In addition, Adams Rib, Inc. intends to develop educational, ethnic, children's entertainment and nontraditional productions for the local audience. Further, Adams Rib intends to utilize its broadcast to reach the distant learner including the physically handicapped and the socially and culturally disadvantaged learner. Also, Adams Rib intends to offer classes in radio production and news writing and to air the best of these student-developed productions and newscasts over its station. Thus, Adams Rib meets the criteria for grant of a noncommercial educational radio broadcast station, since it intends to utilize the allocation requested in furtherance of its Christian educational objectives while addressing the educational needs of its community of license.

EXHIBIT C

BROADCAST INTERESTS

MARY L. SMITH is an officer and director (25%) of Brightness Ministries, Inc. Brightness owns LPTV station W05BE at Jeffersonville, IN and holds construction permits for: W26AS Clarksville, IN; W08CT New Albany, IN; W20AX Glasgow, KY. Brightness is an applicant for a new noncommercial educational FM station at Great Falls, MT (File No. BPED-89010MZ). Brightness was formally an applicant for new noncommercial educational FM stations at Louisville, KY (Channel 263C2; File No. BPED-880126OU, dismissed pursuant to voluntary settlement); and at Indianapolis, IN (Channel 242A, File No. BPED-880728NG, dismissed pursuant to voluntary settlement). The other officers and directors of Brightness are: John W. Smith Sr. (25%), John W. Smith Jr. (25%), and Darlene Smith (25%). Mary is the husband John Sr., the mother of John Jr., and mother-in-law of Darlene.

MARY L. SMITH is also an officer and director (33 1/3) of Lou Smith Ministries, Inc. It has filed for the following noncommercial educational FM stations: New Washington, IN (File No. ARN-910911MA); Springfield, MO (File No. ARN-910910MB), Fargo, ND (File No. ARN-910911MA); and Columbus, OH (ARN-911104__). Lou Smith Ministries, Inc. was formally an applicant for a new FM station at Fargo, ND (File No. 850712XP, dismissed pursuant to voluntary settlement); Vienna, WV (File No. 850712YG, dismissed for failure to prosecute); Great Falls, MT (File No. 850712__, dismissed for inability to obtain FAA approval); Roswell, NM (File No. ARN-880303MR, dismissed pursuant to voluntary settlement). The other officers and directors Lou Smith Ministries, Inc. are: John W. Smith Sr. (33 1/3%) and David B. Smith (33 1/3%). Mary is the mother of David.

MARY L. SMITH owns the following construction permits: WLVS(AM) Athens, OH; WRRD(AM) Blennerhassett, WV; and WMSP(AM) Elk Hills, WV.

ANGELIA M. PAIT owns 49% of the permittee of station WMII(AM) Hendersonville, TN. Mary Smith is the mother of Angelia M. Pait.

Adams Rib, Inc. has no other broadcast interests.

PROGRAM SERVICE STATEMENT

The applicant is a not-for-profit corporation. The purpose of the proposal is to establish a New Albany Community Educational Broadcasting Facility. The proposed radio station will allow a responsible segment of the New Albany community to use radio as a means of communication and expression. To this end, the purpose is to make available to local artists, scientists, businessmen, educators, politicians, farmers and people of all kinds, young and old, a medium from which and through which they can express their interests and needs. Special time blocks will be set aside for reflection, during which the community can discuss the direction the cultural life of the city of New Albany is moving. Specifically, the proposed station's goals would include the seeking out of people representing all

EXHIBIT D (cont.)

The proposed station would communicate an awareness of the cultural heritage and potential of the New Albany area by means of programming which would explore the history of that heritage and allow expression of cultural potential. To this end, local teachers, historians, pastors, etc., would be sought out and given assistance in the development of broadcasts under staff supervision. Cultural contributions from New Albany minority groups such as blacks, Hispanics, native American indians, and orientals would be emphasised.

An integral part of the programming policy would be the use of volunteers for program preparation, and the training in the use of broadcast materials for people who would not ordinarily have access to such instruction. Thus, station programming would serve to increase the communications skills of many citizens in the New Albany area.

The proposed station would initiate programming intended to further open lines of communication between and among the community and its leaders, and elected officials. Whenever possible community leaders would be presented in formats allowing telephone response from people in the community.

We propose to have daily call in programs whereby people can express their opinions about issues that are important. Including subjects such as the AIDS scare, problems with the economy, local pollution problems, unemployment, etc.

The new station will provide weather forecasts and update local weather conditions as they occur. An emergency power generator will be installed at the studio and at the transmitter in order to remain on the air during electrical storms.

3. Is the supporting structure the same as that of another station(s) or proposed in another pending application(s)? Yes No

If Yes, give call letter(s) or file number(s) or both.

N/A

If proposal involves a change in height of an existing structure, specify existing height above ground level including antenna, all other appurtenances, and lighting, if any.

N/A

SECTION V-B - FM BROADCAST ENGINEERING DATA (Page 2)

4. Does the application propose to correct previous site coordinates?
If Yes, list old coordinates.

Yes No

Latitude ° ' "	Longitude ° ' "
---	---

5. Has the FAA been notified of the proposed construction?

Yes No

If Yes, give date and office where notice was filed and attach as an Exhibit a copy of FAA determination, if available.

Date OCTOBER 31, 1991 Office where filed DES PLAINES, IL.

Exhibit No. N/A

6. List all landing areas within 8 km of antenna site. Specify distance and bearing from structure to nearest point of the nearest runway.

	Distance (km)	Bearing (degrees True)
(a) <u>COUNTYLINE (PVT)</u>	<u>3.2</u>	<u>270</u>
(b) <u>LANESVILLE (PVT)</u>	<u>6.4</u>	<u>210</u>

7. (a) Elevation: *(to the nearest meter)*

(1) of site above mean sea level; 301 meters

(2) of the top of supporting structure above ground (including antenna, all other appurtenances, and lighting, if any); and 76 meters

(3) of the top of supporting structure above mean sea level [(aX1) + (aX2)] 377 meters

(b) Height of radiation center: *(to the nearest meter)* H = Horizontal; V = Vertical

(1) above ground 63 meters (H)

63 meters (V)

(2) above mean sea level [(aX1) + (bX1)] 364 meters (H)

364 meters (V)

(3) above average terrain 146 meters (H)

146 meters (V)

8. Attach as an Exhibit sketch(es) of the supporting structure, labelling all elevations required in Question 7 above, except item 7(bX3). If mounted on an AM directional-array element, specify heights and orientations of all array towers, as well as location of FM radiator.

Exhibit No. EE-1

9. Effective Radiated Power:

(a) ERP in the horizontal plane 1.25 kw (H*) 1.25 kw (V*)

(b) Is beam tilt proposed?

Yes No

If Yes, specify maximum ERP in the plane of the tilted beam, and attach as an Exhibit a vertical elevational plot of radiated field.

Exhibit No. N/A

_____ kw (H*) _____ kw (V*)

*Polarization

10. Is a directional antenna proposed?

Yes No

If Yes, attach as an Exhibit a statement with all data specified in 47 C.F.R. Section 73.316, including plot(s) and tabulations of horizontally and vertically polarized radiated components in terms of relative field.

Exhibit No.
N/A

11. Will the main studio be located within the 70 dBu or 3.16 mV/m contour?

Yes No

If No, attach as an Exhibit justification pursuant to 47 C.F.R. Section 73.1125.

Exhibit No.
N/A

12. Are there: (a) within 60 meters of the proposed antenna, any proposed or authorized FM or TV transmitters, or any nonbroadcast (except citizens band or amateur) radio stations; or (b) within the blanketing contour, any established commercial or government receiving stations, cable head-end facilities, or populated areas; or (c) within ten (10) kilometers of the proposed antenna, any proposed or authorized FM or TV transmitters which may produce receiver-induced intermodulation interference?

Yes No

If Yes, attach as an Exhibit a description of any expected, undesired effects of operations and remedial steps to be pursued if necessary, and a statement accepting full responsibility for the elimination of any objectionable interference (including that caused by receiver-induced or other types of modulation) to facilities in existence or authorized or to radio receivers in use prior to grant of this application. (See 47 C.F.R. Sections 73.315(b), 73.316(d) and 73.318.)

Exhibit No.
EE-2

13. Attach as an Exhibit a 7.5 minute series U.S. Geological Survey topographic quadrangle map that shows clearly, legibly, and accurately, the location of the proposed transmitting antenna. This map must comply with the requirements set forth in Instruction D for Section V. Further, the map must clearly and legibly display the original printed contour lines and data as well as latitude and longitude markings, and must bear a scale of distance in kilometers.

Exhibit No.
EE-3

14. Attach as an Exhibit (name the source) a map which shows clearly, legibly, and accurately, and with the original printed latitude and longitude markings and a scale of distance in kilometers:

Exhibit No.
EE-4

SOURCE: U.S. DEPT. OF COMMERCE; "ST. LOUIS" SECTIONAL.

(a) the proposed transmitter location, and the radials along with profile graphs have been prepared;

(b) the 1 mV/m predicted contour and, for noncommercial educational applicants applying on a commercial channel, the 3.16 mV/m contour; and

(c) the legal boundaries of the principal community to be served.

SEE: EXHIBIT EE-4A & WAIVER REQUEST EXHIBIT EE-4B

15. Specify area in square kilometers (1 sq. mi. = 2.59 sq. km.) and population (latest census) within the predicted 1 mV/m contour.

Area 1675.5 sq. km. Population 664,148

16. Attach as an Exhibit a map (Sectional Aeronautical charts where obtainable) showing the present and proposed 1 mV/m (60 dbu) contours.

Exhibit No.
N/A

Enter the following from Exhibit above: Gain Area _____ sq. mi.
Loss Area _____ sq. mi.

Percent change (gain area plus loss area as percentage of present area) _____ %.

If 50% or more this constitutes a major change. Indicate in question 2(c), Section I, accordingly.

Exhibit No.
N/A

17. For an application involving an auxiliary facility only, attach as an Exhibit a map (Sectional Aeronautical Chart or equivalent) that shows clearly, legibly, and accurately, and with latitude and longitude markings and a scale of distance in kilometers:

(a) the proposed auxiliary 1 mV/m contour; and

(b) the 1 mV/m contour of the licensed main facility for which the applied-for facility will be auxiliary. Also specify the file number of the license. See 47 C.F.R. Section 73.1675. (File No.: _____)

18. Terrain and coverage data (to be calculated in accordance with 47 C.F.R. Section 73.313).

Source of terrain data: (check only one box below)

Linearly interpolated 30-second database 7.5 minute topographic map

(Source: _____)

Other (briefly summarize)

19. Is the proposed antenna location within 320 kilometers (199 miles) of the common border between the United States and Mexico?

Yes No

If Yes, attach as an Exhibit a showing of compliance with all provisions of the Agreement between the United States of America and the United Mexican States concerning Frequency Modulation Broadcasting in the 88 to 108 MHz band.

Exhibit No.
N/A

20. Is the proposed antenna location within 320 kilometers of the common border between the United States and Canada? Yes No

If Yes, attach as an Exhibit a showing of compliance with all provisions of the Working Agreement for Allocation of FM Broadcasting Stations on Channels 201-300 under The Canada-United States FM Agreement of 1947.

Exhibit No.
N/A

21. If the proposed operation is for a channel in the range from channel 201 through 220 (88.1 through 91.9 MHz), or if this proposed operation is for a class D station in the range from Channel 221 through 300 (92.1 through 107.9 MHz), attach as an Exhibit a complete allocation study to establish the lack of prohibited overlap of contours with other U.S. stations. The allocation study should include the following:

Exhibit No.
N/A

- (a) The normally protected interference-free and the interfering contours for the proposed operation along all azimuths.
- (b) Complete normally protected interference-free contours of all other proposals and existing stations to which objectionable interference would be caused.
- (c) Interfering contours over pertinent arcs of all other proposals and existing stations from which objectionable interference would be received.
- (d) Normally protected and interfering contours over pertinent arcs, of all other proposals and existing stations, which require study to show the absence of objectionable interference.
- (e) Plot of the transmitter location of each station or proposal requiring investigation, with identifying call letters, file numbers and operating or proposed facilities.
- (f) When necessary to show more detail, an additional allocation study will be attached utilizing a map with a larger scale to clearly show interference or absence thereof.
- (g) A scale of kilometers and properly labeled longitude and latitude lines, shown across the entire Exhibit(s). Sufficient lines should be shown so that the location of the sites may be verified.
- (h) The name of the map(s) used in the Exhibit(s).

22. With regard to any stations separated by 53 or 54 channels (10.6 or 10.8 MHz) attach as an Exhibit information required in 1/ (*separation requirements involving intermediate frequency (i.f.) interference*).

Exhibit No.
EE-5

23.(a) Is the proposed operation on Channel 218, 219, or 220?

Yes No

(b) If the answer to (a) is yes, does the proposed operation satisfy the requirements of 47 C.F.R. Section 73.207?

Yes No

(c) If the answer to (b) is yes, attach as an Exhibit information required in 1/ regarding separation requirements with respect to stations on Channels 221, 222 and 223.

Exhibit No.
N/A

(d) If the answer to (b) is no, attach as an Exhibit a statement describing the short spacing(s) and how it or they arose.

Exhibit No.
N/A

1/ A showing that the proposed operation meets the minimum distance separation requirements. Include existing stations, proposed stations, and cities which appear in the Table of Allotments; the location and geographic coordinates of each antenna, proposed antenna or reference point, as appropriate; and distance to each from proposed antenna location.

SECTION V-B - FM BROADCAST ENGINEERING DATA (Page 6)

(e) If authorization pursuant to 47 C.F.R. Section 73.215 is requested, attach as an Exhibit a complete engineering study to establish the lack of prohibited overlap of contours involving affected stations. The engineering study must include the following:

Exhibit No.
N/A

- (1) Protected and interfering contours, in all directions (360°), for the proposed operation.
- (2) Protected and interfering contours, over pertinent arcs, of all short-spaced assignments, applications and allotments, including a plot showing each transmitter location, with identifying call letters or file numbers, and indication of whether facility is operating or proposed. For vacant allotments, use the reference coordinates as transmitter location.
- (3) When necessary to show more detail, an additional allocation study utilizing a map with a larger scale to clearly show prohibited overlap will not occur.
- (4) A scale of kilometers and properly labeled longitude and latitude lines, shown across the entire exhibit(s). Sufficient lines should be shown so that the location of the sites may be verified.
- (5) The official title(s) of the map(s) used in the exhibits(s).

24. Is the proposed station for a channel in the range from Channel 201 to 220 (88.1 through 91.9 MHz) and the proposed antenna location within the distance to an affected TV Channel 6 station(s) as defined in 47 C.F.R. Section 73.525?

Yes No

If Yes, attach as an Exhibit either a TV Channel 6 agreement letter dated and signed by both parties or a map and an engineering statement with calculations demonstrating compliance with 47 C.F.R. Section 73.525 for each affected TV Channel 6 station.

Exhibit No.
N/A

25. Is the proposed station for a channel in the range from Channel 221 to 300 (92.1-107.9 MHz)?

Yes No

If Yes, attach as an Exhibit information required in 1/. (Except for Class D (secondary) proposals.)

Exhibit No.
EE-6

26. Environmental Statement (See 47 C.F.R. Section 1.1301 et seq.)

Would a Commission grant of this application come within Section 1.1307 of the FCC Rules, such that it may have a significant environmental impact?

Yes No

If you answer Yes, submit as an Exhibit an Environmental Assessment required by Section 1.1311.

Exhibit No.
EE-7

If No, explain briefly why not.

CERTIFICATION

I certify that I have prepared this Section of this application on behalf of the applicant, and that after such preparation, I have examined the foregoing and found it to be accurate and true to the best of my knowledge and belief.

Name (Typed or Printed) JOHN W. SMITH SR.	Relationship to Applicant (e.g., Consulting Engineer) TECHNICAL DIRECTOR
Signature <i>John W. Smith Sr.</i>	Address (Include ZIP Code) P.O. BOX 1226 JEFFERSONVILLE, IN 47131-1226
Date 10/31/91	Telephone No. (Include Area Code) (812) 284-1945

Exhibit EE-1
Vertical Tower Sketch

This is an existing 2-way radio communications tower.

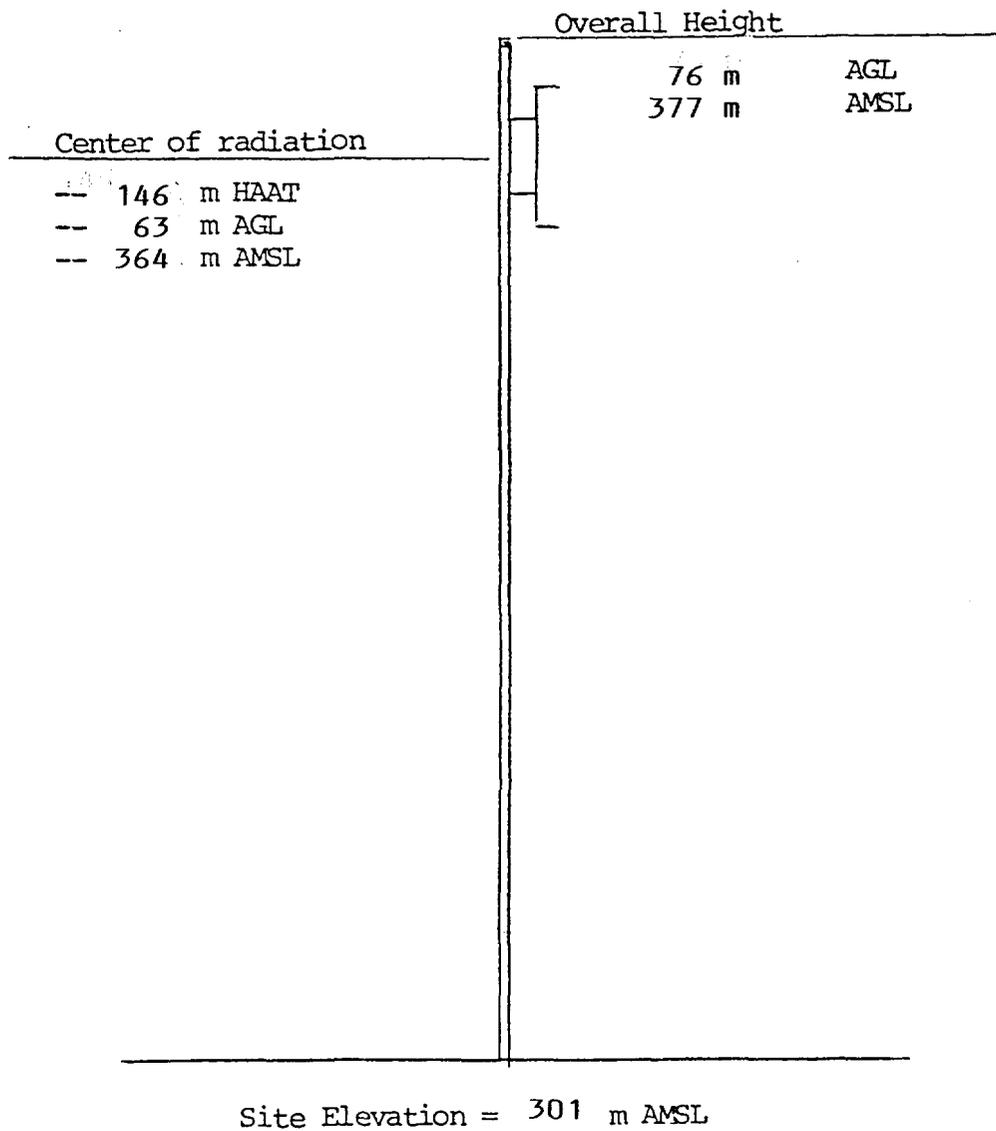

EXHIBIT EE-2

INTERFERENCE PROTECTION

THE DISTANCE TO THE 115 DBU BLANKETING CONTOUR FOR THE PROPOSED NEW STATION IS 0.44 KILOMETERS. The applicant will satisfy all complaints of blanketing interference for a period of one year. The proposed new station will assume financial responsibility for rectifying all complaints within the first year of operation.

There are no FM or TV broadcast stations within 60 meters of the proposed antenna. There are commercial 2-way systems colocated on the support tower and within the general vicinity of the proposed station. In the event of an interference complaint, the station will assume financial responsibility for a period of one year. The station will provide both technical assistance and hardware (i.e. filter traps, etc.) to rectify the interference.

This assistance does not include malfunctioning receivers, improperly installed antennas or the use of antenna boosters. It does not include TV receivers connected to a cable system or Satellite Receiving Dish Antenna. Non-R.F. devices, such as VCR's cassette recorders and stereo amplifiers are also exempt from this protection.

The proposed station will cooperate with these complainants by providing technical assistance via telephone in determining the cause of the problems and advise on corrective measures. However, the station will have no obligation to resolve these non receiver-induced intermodulation interference problems.
