4/13/93

To whom it may concern:

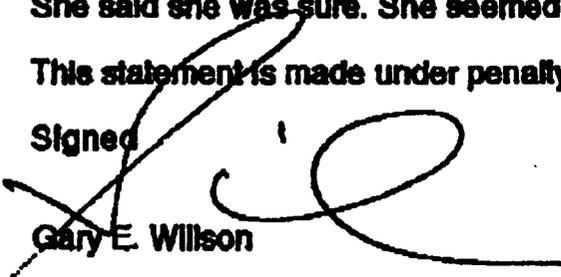

My name is Gary E. Willson and I live at 2 Corte Del Bayo, Larkspur, California.

On September 16, 1992 at approximately 10:00am I called the office of James Warren & Son Realtors, 1414 Main St., St. Helena, California. A woman answered the phone. I asked if Mary Constant was in and they said no one was in the office at the time they were all out in the field, she said this was the answering service, but she checked her list of realtors that work there and stated Mary Constant is not on the list. I said are you sure. She said she was sure. She seemed very positive about it.

This statement is made under penalty of perjury.

Signed

Gary E. Willson
