Petition For Rule Making

Comes now, Linda Ware, who respectfully requests that rule making proceedings be instituted for amendment of Section 73,202(b) of the Commission's Rules to add an allocation to the Table of Allotments as follows:

<u>LOCATION</u>	<u>EXISTING</u>	<u>PROPOSED</u>
Yosemite Village National Park, California	None,	276-A

In support whereof, the following is shown:

1. Linda Ware is requesting allotment of Channel 276-A to Yosemite Village National Park. She is a citizen of the United States and intends to apply for a new FM station at Yosemite Village National Park if the Commission makes the allotment requested above,

2. This would be the first local service at Yosemite Village National Park. Yosemite Village National Park is a Census Designated Place (CDP) which currently has no local service. This is a developing area which needs its own local service,

3. Attached hereto is an FM Channel Search which shows that Channel 276-A can be allotted to Yosemite Village National Park, California, in compliance with the Commission Rules,

In conclusion, Linda Ware requests that the Commission allot Channel 276-A to Yosemite Village National Park, California, as that community's first local service,

Dated: April 20, 1993,

Respectfully submitted,

Linda Ware
