Issued: May 7, 1993 ; Released: May 11, 1993

Under consideration is a Motion for Extension of Hearing Date, filed on May 4, 1993, by Community TV of Southern California ("CTSC"), and Comments on Motion for Extension of Hearing Date, filed on May 6, 1993, by Valley Public Television, Inc. ("Valley").¹

CTSC requests that the hearing date in this proceeding be moved from August 17 to November 16, 1993. Valley has no objection to a continuance to November 16, but objects to any extension which would place the hearing in September, October, or early November.²

The motion for extension of hearing date will be denied; CTSC has not shown good cause for the requested extension. In this connection, it is noted that an informal meeting was held in the office of the Presiding Judge in an effort to reach an accommodation which would have allowed for some extension of the hearing date. Thus, the Presiding Judge was willing to commence the hearing on September 8 or 20, 1993. However, for various reasons those dates were not acceptable to counsel for the applicants. Since, in the Presiding Judge's view, an extension to November 16 is unduly excessive, CTSC's motion must be denied.

Accordingly, IT IS ORDERED that the Motion for Extension of Hearing Date filed by CTSC on May 4, 1993, IS DENIED.

¹ The Presiding Judge was informally advised that the Mass Media Bureau takes no position with respect to this matter.

² The November 16 date was selected by CTSC in view of Valley's objection to an extension to a date earlier than mid-November.
