OPPOSITION TO MOTION TO STRIKE

ASF Broadcasting Corporation ("ASF"), by its attorneys, hereby opposes the Motion to Strike filed May 11, 1993 by David A. Ringer ("Ringer"). In response thereto, the following is submitted:

1. Ringer seeks to have stricken from ASF's Integration and Diversification Statement certain material relative to Ardeth S. Frizzell's claim for credit on account of participation in civic activities. ASF opposes that effort.

2. The application form (FCC Form 301) in Section IV-B, Item 2, requires an applicant to state whether it will claim qualitative credit for five specified enhancement factors, being (a) minority status, (b) past local residence, (c) female status, (d) broadcast experience, and (e) daytimer preference.

3. Civic participation (past or present) is not among the listed factors nor for that matter is a proposal to move to

4. Having responded to the enumerated factors, ASF should not be penalized for failing to respond to a non-enumerated factor.

Accordingly, it is respectfully requested that the Motion to Strike be denied.

Respectfully submitted,

ASF BROADCASTING CORPORATION
