RESPONSE TO REPLY

MAY 11 10 50 AM '92

1. On April 20, 1992, Ohio Radio Associates, Inc. ("ORA") filed a pleading styled "Reply to Opposition of Westerville Radio Partners a/k/a Kyong Ja Matchak." Ms. Matchak hereby submits her Response to the Reply.<sup>1/</sup>

2. In its March 26, 1992 Petition to Deny, ORA maintained that Ms. Matchak's March 9, 1992 amendment to her captioned application was, in fact, not filed until March 10 and was accordingly untimely. In her Opposition, Ms. Matchak submitted a copy of the amendment bearing an FCC date-stamp of March 9, reflecting the day on which that the document was, in fact, filed with the Commission. In its Reply, ORA provided a copy of a page from the Commission's Public Notice, Report No. 15218, released March 17, 1992, reflecting a filing date for the amendment of March 10.

---

<sup>1/</sup> Pursuant to Section 1.45(c) of the Commission's Rules, Ms. Matchak hereby requests leave to submit this Response, which provides new information material to the staff's consideration of the matters raised by ORA in its Petition.

3. Ms. Matchak is at a loss to explain why the aforementioned Public Notice reflects March 10 as the date of filing of her amendment and can only assume that it was the result of a processing error by the staff. Attached hereto is the Declaration of Michael R. Goodman, a paralegal with the law firm of Gurman.

DECLARATION

I, Michael B. Goodman, do hereby declare as follows:

1. I am a paralegal with the law firm of Gurman, Kurtis, Blask & Freedman, Chartered.

2. On March 9, 1992, as a part of my official duties with the firm, I filed with the FCC an original and two copies of an amendment to the application of Westerville Radio Partners (now Kyong Ja Matchak) for a new FM station in Westerville, Ohio (File No. BPH-911230MF). When I so filed these materials with the FCC's Office of the Secretary at 1919 M Street, N.W., Room 222, the clerk stamped the file copy of the amendment that I also provided and returned it to me. A copy of that document is attached hereto as Attachment 1.

3. During the regular course of business at the firm, I  
maintain a time sheet on a daily basis regarding my activities

INSTRUCTIONS

Applicants seeking authority to construct a new commercial, noncommercial or international broadcast station, applicants seeking authority to obtain assignment of the construction permit or license of such a station, and applicants seeking authority to acquire control of an entity holding such construction permit or license are required to afford equal employment opportunity to all qualified persons and to refrain from discrimination in employment and related benefits on the basis of race, color, religion, national origin or sex. See Section 73.2080 of the Commission's Rules. Pursuant to these requirements, an applicant who proposes to employ five or more full-time employees must establish a program designed to assure equal employment opportunity for women and minority groups (that is, Blacks not of Hispanic origin, Asians or Pacific Islanders, American Indians or Alaskan Natives and Hispanics). This is submitted to the Commission as the Model EEO Program. If minority group representation in the available labor force is less than five percent (in the aggregate), a program for minority group members is not required. In such cases, a statement so indicating must be set forth in the EEO model program. However, a program must be filed for women since they comprise a significant percentage of virtually all area labor forces. If an applicant proposes to employ fewer than five full-time employees, no EEO program for women or minorities

# GUIDELINES TO THE MODEL EEO PROGRAM

The model EEO program adopted by the Commission for construction permit applicants, assignees and transferees contains five sections designed to assist the applicant in establishing an effective EEO program for its station. The specific elements which should be addressed are as follows:

## I. GENERAL POLICY

The first section of the program should contain a statement by the applicant that it will afford equal employment opportunity in all personnel actions without regard to race, color, religion, national origin or sex, and that it has adopted an EEO program which is designed to fully utilize the skills of qualified minorities and women in the relevant available labor force.

## II. RESPONSIBILITY FOR IMPLEMENTATION

This section calls for the name (if known) and title of the official who will be designated by the applicant to have responsibility for implementing the station's program.

## III. POLICY DISSEMINATION

The purpose of this section is to disclose the manner in which the station's EEO policy will be communicated to employees and prospective employees. The applicant's program should indicate whether it: (a) intends to utilize an employment application form which contains a notice informing job applicants that discrimination is prohibited and that persons who believe that they have been discriminated against may notify appropriate governmental agencies; (b) will post a notice which informs job applicants and employees that the applicant is an equal opportunity employer and that they may notify appropriate governmental authorities if they believe that they have been discriminated against; and (c) will seek the cooperation of labor unions, if represented at the station, in the implementation of its EEO program and in the inclusion of nondiscrimination provisions in union contracts. The applicant should also set forth any other methods it proposes to utilize in conveying its EEO policy (e.g., orientation materials, on-air announcements, station newsletter) to employees and prospective employees.

## IV. RECRUITMENT

The applicant should specify the recruitment sources and other techniques it proposes to use to attract qualified minority and female job applicants. Not all of the categories of recruitment sources need be utilized. The purpose of the listing is to assist the applicant in developing specialized referral sources to establish a pool of qualified minorities and women who can be contacted as job opportunities occur. Sources which subsequently prove to be nonproductive should not be relied on and new sources should be sought.

## V. TRAINING

Training programs are not mandatory. Each applicant is expected to decide, depending upon its own individual situation, whether a training program is feasible and would assist in its effort to increase the available pool of qualified minority and female applicants. Additionally, the applicant may set forth any other assistance it proposes to give to students, schools or colleges which is designed to be of benefit to minorities and women interested in entering the broadcasting field. The beneficiary of such assistance should be listed, as well as the form of assistance, such as contributions to scholarships, participation in work study programs, and the like.

## MODEL EQUAL EMPLOYMENT OPPORTUNITY PROGRAM

### I. GENERAL POLICY

It will be our policy to provide employment opportunity to all qualified individuals without regard to their race, color, religion, national origin or sex in all personnel actions including recruitment, evaluation, selection, promotion, compensation, training and termination.

It will also be our policy to promote the realization of equal employment opportunity through a positive, continuing program of specific practices designed to ensure the full realization of equal employment opportunity without regard to race, color, religion, national origin or sex.

To make this policy effective, and to ensure conformance with the Rules and Regulations of the Federal Communications Commission, we have adopted an Equal Employment Opportunity Program which includes the following elements:

### II. RESPONSIBILITY FOR IMPLEMENTATION

(Name/Title) Kyong Ja Matchak/Station Manager will be responsible for the administration and implementation of our Equal Employment Opportunity Program. It will also be the responsibility of all persons making employment decisions with respect to the recruitment, evaluation, selection, promotion, compensation, training and termination of employees to ensure that our policy and program is adhered to and that no person is discriminated against in employment because of race, color, religion, national origin or sex.

### III. POLICY DISSEMINATION

To assure that all members of the staff are cognizant of our equal employment opportunity policy and their individual responsibilities in carrying out this policy, the following communication efforts will be made:

- The station's employment application form will contain a notice informing prospective employees that discrimination because of race, color, religion, national origin or sex is prohibited and that they may notify the appropriate local, State or Federal agency if they believe they have been the victims of discrimination.
- Appropriate notices will be posted informing applicants and employees that the station is an Equal Opportunity Employer and of their right to notify an appropriate local, State or Federal agency if they believe they have been the victims of discrimination.
- We will seek the cooperation of unions, if represented at the station, to help implement our EEO program and all union contracts will contain a nondiscrimination clause.
- Other (specify)

#### IV. RECRUITMENT

To ensure nondiscrimination in relation to minorities and women, and to foster their full consideration whenever job vacancies occur, we propose to utilize the following recruitment procedures:

- We will contact a variety of minority and women's organizations to encourage the referral of qualified minority and women applicants whenever job vacancies occur. Examples of organizations we intend to contact are:  
 NAACP  
 Columbus Urban League  
 National Association for Women,  
 Columbus, Ohio  
 Buckeye Chapter American Women in Radio & Television, Inc.  
 City of Columbus Minority Referral Program

- In addition to the organizations noted above, which specialize in minority and women candidates, we will deal only with employment services, including State employment agencies, which refer job candidates without regard to their race, color, religion, national origin or sex. Examples of these employment referral services are:  
 Ohio Department of Administrative Services  
 Ohio Department of Development  
 Ohio Job Service  
 Ohio Bureau of Employment Services

- When we recruit prospective employees from educational institutions such recruitment efforts will include area schools and colleges with minority and women enrollments. Educational institutions to be contacted for recruitment purposes are:  
 Ohio State University                      Central State University  
 Franklin University  
 Capital University  
 Ohio University  
 Otterbein College  
 Ohio Wesleyan University

- When we place employment advertisements with media some of such advertisements will be placed in media which have significant circulation or viewership or are of particular interest to minorities and women. Examples of media to be utilized are:  
 Columbus Dispatch  
 Public Opinion

 Call & Post

- We will encourage employees to refer qualified minority and women candidates for existing and future job openings.
