II. DIVERSIFICATION

Neither Allegheny nor any of its stockholders own any interest in any radio station or other media of mass communication.

III. INTEGRATION OF OWNERSHIP IN MANAGEMENT

Herbert E. Long, III will be the Business Manager of the proposed station, working in that capacity full-time, i.e., a minimum of forty hours per week. To effectuate this commitment, Mr. Long will relocated his residence to Pittsburgh, PA. As Business Manager, Mr. Long will supervise all financial aspects of the station's operation, including budget and financial planning, the sales and promotion staff, and the accounting staff. He will also supervise the station's Equal Employment Opportunity Program. Mr. Long will also advise and consult with the General Manager as to programming policies and decisions. Enhancement credit will be sought for Mr. Long's proposed local residence and his minority status as an Afro-American. Mr. Long will resign any employment and discontinue or curtail any school or other activity as necessary in order to fulfill his full-time commitment to the station.

As President of the applicant corporation, Herbert E. Long, Jr. will devote time to general oversight in the construction, staffing, and operation of the station and while

such time may be substantial, particularly in the initial phases of construction and operation, it is not believed that such time would average twenty hours per week over an extended period of time. Should Commission policy permit integration credit for such activity, the applicant will claim such credit for Herbert E. Long, Jr. and enhancement credit for his minority status as an Afro-American. He will curtail any business or other activities as necessary in order to fulfil his above stated commitment to the station.

IV. AUXILIARY POWER

Allegheny will have auxiliary power sources at its studios and transmitter site to assure continuous operation of the station.
