Dear Mr. Porrello,

A special thank you is in order for all your co-operation and support of our recent venture, The Islip Game. Judging, design, co-ordinating and soliciting for ads and all the rest are all necessary to make this project a success.

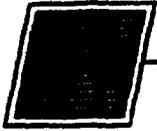

For your participation, I thank you.

Dear Sir/Madam

Being a frequent viewer of WHSI TV 67, I am fascinated by the many and various things which you sell. I am even more fascinated by your program, 'In Your Interest'. The producer of the show, Mr. Dave Porrello, is not only a delight to behold but he also gives such a variety of interesting topics to consider. His questions are well thought out and provocative. He always looks like he is listening to the guest speaking and that he is interested in what the person has to say. His follow up questions would seem to bear out my conclusion. Thank you for filling our lives with such topics of interest that we might not otherwise have thought about.

My friends and I look forward to many more thought provocative and stimulating programs from Mr. Porrello.

Yours sincerely,

I HAVE BEEN WATCHING THE HOME SHOPPING CLUB FOR OVER A YEAR, AND WOULD LIKE TO TELL YOU HOW MUCH I ENJOY THE SEGMENT WHERE DAVE PORRELLO INTERVIEWS LOCAL POLITICIANS & V.I.P.'S

WE FIND DAVE'S SOFT-SPOKEN MANNER VERY EASY TO LISTEN TO. WHAT WE LIKE IS HIS NON-THREATENING MANNER — BECAUSE HE DOESN'T "COME ON TOO STRONG" HE GETS THE MOST OUT OF HIS INTERVIEWS.

PLEASE KEEP STRESSING THE IMPORTANCE OF MAINTAINING OUR PINE BARRENS AS A SUPPLY OF FRESH DRINKING WATER, & INTERVIEWING AS MANY PEOPLE AS POSSIBLE WHO UNDERSTAND NEED FOR THIS.

KEEP UP THE GOOD WORK!

Many thanks for doing the show on "Our Lady of the Island" Shrine in Eastport. I caught the "tail-end" of the show, but was very impressed with even that.

You caught the essence and spirit of the shrine. It was "beautiful" to see! Again, thanks!

Dear Commissioner Quello:

This letter is to urge you to grant "Must Carry" status to WHSE-TV, licensed to the City of Newark, New Jersey. Although this station carries the Home Shopping Club as its main feature, other programming gets to the heart of community affairs, particularly philanthropic concerns.

I'm sure you'll agree with me when I say that exposure is the name of the game when it comes to public recognition. As if to prove this, our social-service agency received much favorable publicity from several interviews I was helpfully granted on WHSE-TV's feature program, "In Your Interest." The coverage of our target area was excellent, as indicated by the feedback of favorable comments received. Our organization benefitted accordingly.

After you investigate WHSE-TV's records, I feel sure you will be more than satisfied with the level at which WHSE-TV serves the public interest. It will be an asset to have WHSE-TV carried on all cable systems. Then everyone, particularly social-service agencies such as this one, will be able to take advantage of the station's expanded local programming.

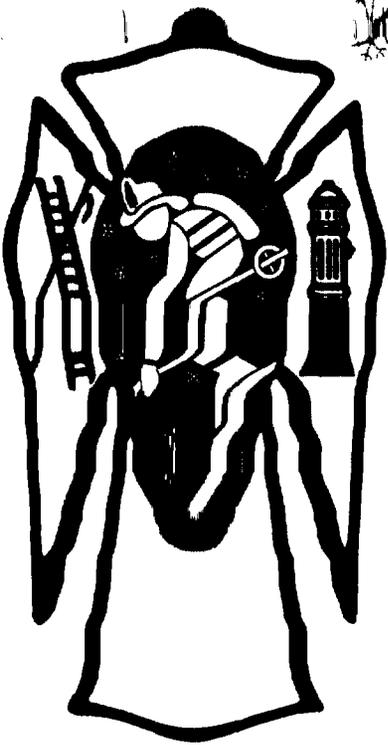

Thank you for your consideration.

Dear Commissioner Marshall:

I want to give my support in granting "Must Carry" status to WHSE-TV, licensed to the city of Newark, New Jersey. Although WHSE-TV carries the Home Shopping Club as its major programming, the station is fully committed to the local issues of its local communities.

My non-profit organization is dedicated to raising funds for the St. Barnabas Burn Center in Livingston, New Jersey, therefore, I have learned first-hand what WHSE-TV personnel can do. We have run New Jersey Firefighter Ski Races for the past six years and have been able to donate a great deal of money to this cause with the aid of people such as Mr. William Roller, Program Director for WHSE-TV and the many people and services he provides.

He not only donates his time, the services of a complete crew of his people at the ski area on the day of the races, they also film the event and show in on their network to let the people of New Jersey know what we are doing, expanding our publication. We started six years ago with 60 five-person teams. In January this year, 170 teams from High Point to Cape May participated.

After you thoroughly investigate WHSE-TV's records, I am sure that you will be more than satisfied with the level at which WHSE-TV serves the public interest. It will be an asset to have WHSE-TV carried on all cable systems so that everyone will be able to take advantage of the station's local programming.

Dear Commissioner Quello:

This letter is in support of granting "Must Carry" status to WHSE-TV in Newark, New Jersey. WHSE-TV carries the Home Shopping Club as it's principal program format, however, I believe WSHE has a high level of committment to local community issues and concerns. They allow access to their viewers that most other broadcasting entities can't match.

Most broadcasters give simple "sound bites" or clips to organizations. WHSE-TV allows groups to speak at legnth about the issues they work on, giving the viewer a much fuller story of what they are about. This practice educates more fully the viewer and I for one am very happy that someone is giving us this access.

I know personally that this format works due to my appearances on WHSE-TV and am able to gauge the impact from all of the people who tell me they saw me on the program. I can't say this about other interviews I've participated in. WHSE's "In Your Interest" in many cases is the one comprehensive event to which I can discuss all of the issues involved in our cause. I should say from my personal experience that concern is more than just a word with the staff.

I am convinced that they really care sympathetic to all causes. The staff visibly tries to quarentee quality and that all of the points are covered.

Having been involved in this and other issues for over a decade, I am quite happy with WHSE-TV and am glad they are involved. I would urge you to grant them the "must carry" status so that all of us have a voice, an audience, and professional, objective support in reaching our community.

Thank you in advance for your consideration.
