ORDER

Issued: July 20, 1993 ; Released: July 22, 1993

During the course of the deposition of Freeman Edwards on July 15, 1993, the Chief Administrative Law Judge, in the absence of the Presiding Judge, was requested to rule on the proper scope of examination under the financial qualifications issue. In this connection, counsel for David A. Ringer was permitted to inquire regarding the ability of Mr. Edwards to meet the partnership agreement's requirement that he furnish \$42,000 in capital to the partnership. Also, a question was permitted whether the witness discussed with his counsel during a break whether the applicant's proposal included auxiliary power equipment, but not the nature of any discussion with counsel.

This Order will confirm these rulings and is issued in accordance with the requirements of Section 1.319(c)(3) of the Commission's rules.

SO ORDERED.
