Re: *Restoring Internet Freedom*, WC Docket No. 17-108

Dear Ms. Dortch:

On November 28, 2017, I had a call with Amy Bender, Legal Advisor to Commissioner Michael O’Rielly. During the call, consistent with Comcast’s prior filings in the above proceeding, I reiterated the need for a clear, affirmative ruling on federal preemption of state and local regulation of broadband Internet access service.¹ Notably, the Commission’s preemption analysis in its amicus brief filed in the Eighth Circuit in *Charter Advanced Services (MN), LLC v. Lange*, which addressed regulation of interstate services and information services by the Minnesota Public Utility Commission,² applies with equal force to state and local regulation of broadband Internet access service.

Please direct any questions regarding this matter to the undersigned.

Respectfully submitted,

/s/ Kathryn A. Zachem
Executive Vice President,
Regulatory and State Legislative Affairs
Comcast Corporation

cc: Amy Bender
