Dear Chairman Pai,

I write to support the Comments of the Cable Act Preservation Alliance ("CAPA") and to disapprove of the proposals and tentative conclusions set forth in the FCC's September 25 Further Notice of Proposed Rule Making in Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992, MB Docket 05-311.

The Community Media Center of Marin is an integral part of our population, in the 11 cities that are in Marin County. The value it brings to the residents is *invaluable*. I have hosted and produced a program on Channel 26 for going on 7 years. It brings such inspiration and education to our viewers with Historical, influence and wealthy examples for the viewers, which goes beyond the local access. Marin TV serves all government forums and chamber meetings as well as an educational and community formats. We have many, local students learning about all the levels of creating media.

It would be a destructive travesty to abolish this network. Please honor our community in the name of education, inspiration and communication by keeping these channels open for our community and beyond.

Thank you for your continued support and innovation.

Sincerely,
Dr. Cheryl Scheurer, PhD
