Federal Communications Commission
455 12th Street, Southwest
Washington, DC, 20544

Dear Chairman Pai,

I write to support the Comments of the Cable Act Preservation Alliance ("CAPA") and to disapprove of the proposals and tentative conclusions set forth in the FCC's September 25 Further Notice of Proposed Rule Making in Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992, MB Docket 05-311.

Continued availability of community television like Cambridge Community TV is vital. We have used them to broadcast roundtable discussions on a variety of subjects for the community and have sent our staff to them for workshops on various media subjects.

The Cambridge Center for Adult Education requests the FCC to continue to support community media.

Yours truly,

Michael Goldman
Assistant Director
