Clarifying Information

In our previous appeal (ECFS Filing ID 10630010577612), we stated SLD's denial of appeal 19014 jeopardizes approximately \$531,400 in reimbursement.

Attachment B, Schedule E of the contract attached in ECFS Filing ID 10630010577612 identifies \$1,102,466 potential eligible installation and configuration services. Due to Category 2 budget caps and changes in equipment distribution, we calculate that we had only \$860,621.24 in eligible costs below the Category 2 budget caps, with a projected reimbursement of approximately \$516,372.74 assuming all of the expenses pass USAC Program Integrity Assurance (PIA) review.
