Dear Chairman Pai,

With regards to Proceeding 17-108: Restoring Internet Freedom, I fully support Title 2 oversight of ISPs and oppose the repeal of net neutrality rules. I urge you to do the right thing and protect the citizens of our country by ensuring equal access to the Internet for everyone. Corporations have repeatedly demonstrated that they will put profit before all else. The playing field will no longer be level between small business and large corporations. The Internet is not a luxury; it is a vital and necessary utility for everyone. Do not repeal net neutrality.

Regards,

Harold Legg, Jr.
