WC Docket Nos. 17-84

Dear Secretary Dortch:

On November 30, 2017, Gavin Patterson, CEO of BT, Jennifer Artley, President, BT in the Americas, Ed Petter, Director of Group Corporate Affairs, BT, Sheba Chacko, Chief Regulatory Counsel for BT in the Americas, and Jennifer Taylor Hodges, Vice President Government Affairs USA, met with Chairman Pai and Jay Schwarz, his wireline advisor. While the meeting was primarily a meet and greet, BT's representatives mentioned in passing the need for time to transition its customers who are dependent on legacy TDM 1.5 Mbps access from these services to IP-based access services.

If you have any questions regarding any matters discussed herein please feel free to contact me.

Sincerely,

Sheba Chacko
Chief Regulatory Counsel, BT in the Americas
