Dear Chairman Pai,

I write to support the Comments of the Cable Act Preservation Alliance ("CAPA") and to disapprove of the proposals and tentative conclusions set forth in the FCC's September 25 Further Notice of Proposed Rule Making in Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992, MB Docket 05- 311.

I have been a volunteer producer at Arlington Community Media, Inc. (ACMI) for almost three years, producing public information projects for the non-profit organization Food Link and for other creative projects. ACMI provides an important way for small non-profit organizations to convey information about issues important to public health. ACMI is also a valuable resource in educating producers like me about public communications.

Thank you for your continued support of community media organizations such as ACMI.

Sincerely,
