Re: *Restoring Internet Freedom*, WC Docket No. 17-108

Dear Ms. Dortch:

On Thursday, November 30<sup>th</sup>, Joan Marsh, on behalf of AT&T spoke by telephone with Rachael Bender, legal advisor to Chairman Pai. Joan spoke separately by telephone with Erin McGrath and Amy Bender, legal advisors to Commissioner O’Rielly. In each conversation, Ms. Marsh expressed strong support for the draft order in the above-referenced proceeding. Restoration of the longstanding, information services classification of Internet services will promote investment and innovation in broadband infrastructure.

This letter is being filed electronically pursuant to Section 1.1206 of the Commission’s rules. Should you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Henry G. Hultquist".
