Dear FCC,

I vehemently oppose the acquisition of Tribune Media by Sinclair. Anti-Trust laws must prevent this proposal. Having any conglomerate take over "72% of U.S. Households [Los Angeles Times Friday, October 20, 2017]" is unacceptable and illegal. Hence, Anti-Trust legislation which the FCC is required to enforce on our behalf.

Furthermore, Sinclair Media requires every single one of its television news broadcasts to air a right-wing leaning piece of propaganda every day. This is unacceptable. The practice should be ended, not encouraged or rewarded with an expansive deal such as the proposed takeover. I expect the FCC to do its job and prevent this illegal proposal.

I appreciate your prompt response, letting me know that the will of the People of the United States is being upheld by seeing to it that the FCC is refusing this unlawful proposal.

Sincerely,

Sarah Turitto
