

Please don't take R.F.D.T.V.  
off the air - Its the only  
station I mostly look at -  
Is it because it is a  
Christian t.v. station that  
you want off the air.

I will discontinue my

R.F.D.T.V. Its the BEST!

- A Special Note -

I'm sending a note to  
Dad. I'm very concerned  
about our network RFD.  
I so hope we can always  
have it to watch.

To Dad these bigger net work  
can control us smaller networks.  
RFD is very good network to  
watch. I watch many programs  
every day.

There are many people here  
in our town who watch  
R.F.D.

If you have the say over whether R.F.D. TV stays please let it stay. I am 90 yrs old. I just love that station. Every thing is clean and good. Why would any one in there right mind want to get rid of it. How long do you think the big city people would last if not for rural farms. That's what its all about. Who do you think keeps the Country running. Its the Farmer. Rural America. Please I pray don't take this station away. I love you folks to and I pray you will think twice.

Dear Sir ~~FILE COPY ORIGINAL~~

Just want to say how much I  
would miss RFD TV if they should  
take the station off the air.

I am 88 years (young) & do enjoy the  
programs they have. Where lots of  
the other channels have programs that  
aren't decent to watch. So I'm praying  
enough people will call in, write or go  
on line that will let RFD TV which  
stay on direct TV

To Who It may Concern,  
Why can't you guys give up  
trying to get rid of RFD/TV.  
Don't you realize how many  
loyal viewers this station has?  
I am 77 years old and my  
husband is 80. We watch RFD  
more than all channels combined.  
I cannot figure why it is  
such a problem when so many  
people enjoy it. It is the only  
good source of country music.  
We also enjoy Gentle Giants.  
Don't try to fix something that  
isn't broken please.
