Dear Chairman Pai,

I am writing to support the Comments of the Lake Champlain Access Television, Inc. (“LCATV,” File ID 1031754013658) and to disapprove of the proposals and tentative conclusions set forth in the FCC’s September 25 Further Notice of Proposed Rule Making in *Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992*, MB Docket 05-311.

This local presence enables the residents of Colchester Vermont to watch uniquely local programming about their community and local events and issues of interest to them. And that was the intent of the PEG provisions of the 1984 Cable Act – to enhance local voices, serve local community needs and interests, and strengthen our local democracy. By defining “franchise fee” in an overly broad fashion to include “in-kind” support, the FCC’s proposals will shift the fair balance between cable franchising authorities and cable operators and will force communities to choose between franchise fees and PEG channels – something that was never the intent of the Act.

We appreciate your consideration and hope you will protect PEG Access in our community and others by choosing not to adopt many of the proposals in the Further Notice.

Sincerely,

Seth A Wright
