Re: *Petitions for Declaratory Ruling on Regulatory Status of Wireless Messaging Service*,
WT Docket No. 08-7

Dear Ms. Dortch,

On December 6, 2018, I had a brief conversation about this matter with Nicholas Degani, Senior Counsel to Chairman Pai.

During this conversation I discussed Twilio's business, indicated that certain language in the draft order described its services inaccurately, and asked that this language be amended. I noted, in particular, that companies such as Nomorobo and others are using Twilio's platform to combat spam. I also indicated that Twilio would be filing a more detailed *ex parte* later in the day that would address these issues.

Please contact me should you have any questions.

Sincerely,

Counsel for Twilio, Inc.
