**VIA ELECTRONIC FILING**

Ms. Marlene H. Dortch, Secretary  
Federal Communications Commission  
445 12<sup>th</sup> Street, SW  
Washington, DC 20554

RE:     **Ex Parte Filing**  
Accelerating Wireless Broadband Deployment by Removing Barriers to Infrastructure Investment (WT Docket No. 17-79); Accelerating Wireline Broadband Deployment by Removing Barriers to Infrastructure Investment (WC Docket No. 17-84); Streamlining Deployment of Small Cell Infrastructure (WT Docket No. 16-421)

On December 6, 2017, the undersigned, along with Tonya Rideout, NATOA's incoming Executive Director, and NATOA Board of Directors members Jodie Miller, Brian Roberts, Mike Lynch, Daniel Cohen, Mike Johnson, Gabriel Garcia, Ann Goldenberg, and Mike Russo met with Commissioner Michael O'Rielly and his Wireline Legal Advisor Amy Bender to discuss the above-referenced proceedings.

During the meeting, we discussed a number of issues of concern to local governments that have been raised through comments filed to date in these proceedings, including the potential impact of any FCC action on recently enacted state small wireless facilities siting legislation, and local efforts to work cooperatively with industry to deploy small cell technology.

Pursuant to Section 1.1206(b) of the Commission's rules, a copy of this letter is being electronically submitted in the record of these proceedings and provided to the Bureau participants. Please do not hesitate to contact the undersigned with any questions.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Steve Traylor". The signature is fluid and cursive, with a large, stylized "S" and "T".

Steve Traylor  
Executive Director
