

**I support Title 2  
oversight of ISPs and  
oppose the repeal of  
net neutrality rules.**

**Innovation is  
American.**

**Starting from nothing  
more than an idea and  
creating something  
better than before?  
American.**

**Squashing new ideas  
out of fear of a loss of  
dominance? Many,  
many things, none of  
which rest at the core  
of American values.**

**The best is yet to  
come, but many of us  
won't see it if net  
neutrality is killed.**

**Listen to the people!!!**
