To Whom It May Concern,

This is an appeal in regards to the Post Commit Request - 49894 for Mt. Vernon-Enola School District (BEN #139519) where USAC has denied funding for the 2017-2018 FY because of a technicality with Form 471 Application Number 171022255 on FRN # 1799046131 stating that the contract between Mt. Vernon-Enola School District and Windstream Communications (SPN: 143030766) was "Month-to-Month" when it should have stated as "Multi-Year."

- **Attachment A** shows the School's contract with the service provider and clearly states the term is 60 months from the starting date of 4/16/2015 (5 years).
- **Attachment B** shows the Form 471 for FRN # 1799046131 for 2017-2018 FY where it stated that the agreement was "Month-to-Month" and should be "Multi-Year."
- **Attachment C** shows the Revised Funding Commitment Decision Letter from USAC.
- **Attachment D** shows the Post Commit Request 49894 from USAC on BEN # 139519.

I look forward to hearing from you on this matter and a positive resolution to Mt. Vernon-Enola's current situation.

Sincerely,

Chase Wetzel
