Dear Chairman Pai,

I write to support the Comments of the Cable Act Preservation Alliance ("CAPA") and to disapprove of the proposals and tentative conclusions set forth in the FCC's September 25 Further Notice of Proposed Rule Making in Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992, MB Docket 05- 311.

Being a parent who has taken advantage of Community TV services, I can't imagine why funding would be halted. I assure you that this service holds great value in our community of Revere MA. I have actually volunteered my time to film sporting events and many local events that interest the community. I believe that public television is a valuable asset!! These days, the more our communities share experiences, the more the communities grow and improve.

Community Media is simply a positive aspect with a positive impact that should continue and thrive.

That's what I think!

Sincerely,

Chris Piazza

Revere MA Concerned Resident.
