I sometimes wonder  
why a solution to a  
problem can be the  
hardest thing to see!  
Moreover, is the hardest  
always to correct one?

THE THING IS WHY  
DO SOME OF THE NETWORKS  
WANT RFD TV DROPPED  
OFF THE AIR?

WHAT ARE THEY AFRAID  
OF?

DO THEY WANT MORE  
SHOWS LIKE THEY HAVE  
NOW, WHICH IN MY

OPINION, MIGHT BE  
APPEALING FOR AN  
AUDIENCE OF MORONS AND  
TWISTED MINDS - !! IT ISN'T  
TOO DIFFICULT TO CONCLUDE  
THAT VIOLENCE BEGETS  
VIOLENCE?

IN MY OPINION, RFO-TV,  
IS TRYING<sup>TO</sup> SHOW WHAT THE  
REAL WORLD IS ALL ABOUT!

FROM RELIGION TO AGRICULTURE  
- Beautiful Country music,  
by beautiful country artists,  
Polka music for senior  
citizens & others, beautiful  
renditions of gossip music!  
also RODEOS ETC

A COMPLETE SUMMARY OF  
PROCEDURES TO GROWING  
CROPS TO RAISING CATTLE &  
HOGS -

For many years  
I heard the term - "Family  
television" - most of the

Channels, which are now  
in the group to "drop" RFD-TV  
now at the present time!

MISBHL, I HAVE A MUCH  
different VERSION OF "Family  
Television", this is what ~~occurred~~  
in November of 2015. We  
lost a dear member of a  
team with her husband, a  
beautiful couple who  
performed on stages through-  
out America! When they  
sang they carried a message  
of love & hope - as they reached  
out to thousands and we  
truly discovered the real  
meaning of "Family Television"  
Yes, they were like our own  
Sons & Daughter!!

In closing, we feel  
RFD-TV needs to be encouraged  
& supported to continue as they  
have in the last few years!

In reference to the  
Country Duet "Rory & ~~Jack~~ JOEY"  
IT WAS JOEY WHO PASSED  
AWAY, BUT THE LAST FEW  
YEARS WE LISTENED TO THEM  
AND HEARD "COME HOME,  
COME HOME, ITS SUPERTIME! &  
"JESUS LOVES ME, THIS I  
KNOW" & AMAZING GRACE" TO  
SAY A FEW, REFLECTED LOVE  
& COMING FROM HER  
HEART & HIS AS WELL,  
WE KNOW & FELT THEIR  
MESSAGE IN, HELPING US  
FINDING OUR FINAL FRONTIER  
AMEN!

In our opinion, this  
channel DESERVES EVERYTHING  
we can do is to promote their cause!

FCC - This is with a Big (Please)  
1641

RFD. Please keep  
this station on the air,  
this is the station that  
we have watched for many  
years.

Enjoy all of the shows  
& watch them all.

On Tuesday, Sat, & Sunday  
day & evening this is all  
we watch.

I will speak & write this  
for my handicap daughter  
C.P. She cannot talk!  
She cannot write. She  
knows & every Tuesday & Sat  
Sunday she is glued to the  
the music shows that  
come on. She cannot do  
much. This is her time &  
shows. She loves family  
& all of the music.

We will do away with  
TV - not have any

Type of cable. We will  
by DVD's if this station  
is done away with.

Buy music DVD's I can  
easily order.

I wrote a few years  
ago when this problem  
happened. I wonder why  
over & over & I wonder why  
fool with these companies.  
So sad we had to keep  
fighting this.

Please leave RFD on  
the air.

If it goes we will not  
have TV thru cable or anyone  
else!

These shows give this  
daughters of mine so very much

To Whom it may Concern, 1641

I am writing regarding the RFD TV Station programming. I enjoy so many programs on this Channel. Especially the ones geared for rural living. There is no other Channel like it. Everything offered on this Channel is for the whole family.

Please make it possible for everyone to continue to enjoy these programs

Respectfully,  
Irene Haendick

WE HAVE BEEN SUBSCRIBERS TO  
Direct TV for 20 years or more,  
mainly because of the RFD Channel.  
Lately I have a hard time finding  
programs on Direct TV that I  
can watch that do not include  
homosexuals, perverts, shootings,  
and language unacceptable for  
my family. As I try to find a  
program to watch each day, I  
click up and down thru the  
channels trying to find a program  
to watch. I've about stripped  
the button on my selector hunting  
'something'. If RFD is not  
available on Direct TV, there is  
no use in paying each month  
for so many channels that I  
will not watch. Please do not  
take RFD off Direct TV.

Dear Mr. Patrick Bottsch,

I understand since we don't have  
a Computer to notify you in our  
Concern and in regards of Largin Co.  
attacking the Rural Programming & and discontinuing  
what programs we can get service to.  
We are anxious to share our feelings  
and much needed that - FCC 16/41 Review  
our means of much wanted programming  
than RFD TV.

We get service thru Direct TV. It is  
so expensive & we cannot afford what we  
limit our monthly service to.  
We are in our early 80's. we both are  
in bad health. We try to hold on to RFD  
that's our favorite programs. My husband  
enjoys sports & couple of spiritual & I make do.  
music programs & then Farming. I learn more  
still and I can't imagine being shut off  
from any of RFD. I love the PBR & American.  
we consider most of you & your programming  
"family"

I do hope this helps in some way.  
I love your programming.  
Thanks to all of your staff.

Husband of 60 years.

To Whom This Concerns:

We want you to know that we watch RFD TV often for Country Music, Polka music and other programs and will be disappointed to lose them. A free Country should be free in our choices not the companies that own stations as NBC. We don't wish to lose channels we get thru Hush Network. Please make it so we can continue to watch our programs. With RFD we don't have to see sex programs or foul language.

Sincerely

Gentlemen:

My family and I watch RFD-TV on a regular basis. The mainstream networks do not carry the caliber of programming that RFD-TV does. We can have RFD-TV programming on and not have to worry about younger viewers seeing or hearing detrimental content.

We are in our eighties and the major networks do not carry any of the programs that we enjoy on RFD-TV. We especially like the programs that come on Saturday and Sunday evenings that include country music. The farm programs and sporting events are also of interest to us.

We are very hopeful that you will continue to allow RFD-TV to bring quality news and entertainment programming to rural America. There will be an enormous void in TV viewing if RFD-TV becomes unavailable.

Thank you in advance for assuring that RFD-TV will remain alive and well for our TV viewing pleasure.

Sincerely,

D.J. and Virginia Salazar

Wanting to remove RFD Channel, I can't imagine. Do you know what built this country? Everything they have on that Channel started way back when.

RFD is one of the most important Channels on T. V. All the others are inter-  
tainment. It has weather for our farmers & their crops. Where do you think our food comes from. All our livestock, prices to keep everyone up to date, when we want to sell our livestock.

Helping our younger generation to inform them & learn on how to become a farmer or Rancher, our 4-H organizations & FFA. Equipment to use for farmers. Rodeo's that started this country. Work horse's that was used before tractors & large equipment. Music we had way back when & up to date music at this time.

That's just some of the things on RFD. If this Channel is removed, you are removing history for ever. I look at RFD most of the time.

If this Channel is removed, I can't  
imagine what this Country is coming to.  
Think twice what you want to do.  
Hoping you think before jumping to  
a bad decision.

Use good judgment,

Rita Harper
