Dear Chairman Pai,

I write to support the Comments of the Cable Act Preservation Alliance ("CAPA") and to disapprove of the proposals and tentative conclusions set forth in the FCC's September 25 Further Notice of Proposed Rule Making in Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992, MB Docket 05- 311.

RevereTV is a critical resource to the city of Revere. RevereTV Provides coverage of local city meetings, community events, school sports and activities. We work with non-profit organization in promoting their missions in the city. We work with youth groups and provide citizens with access to media. These proposed changes would wipe out a vital source of local information.

Robert Dunbar,
Executive Director, RevereTV
