

1 2. If allotted Contour Communications, through this request,
2 confirms its intention and willingness to apply to the Commission
3 for a construction permit to build and operate an FM broadcast
4 station at Lakeview, Oregon. As proof that the allocation is
5 possible and that the requested allocation meets all other rules
6 for allotment the following FM channel Study has been attached.

7 3. Contour Communications opposes the allocation at Keno,
8 because Keno, Oregon is not a "community in any way shape or form".
9 It has no local public services. The only food store has closed.
10 All public services are provided by the County of Klamath. There
11 is no local chamber of commerce nor is there any local club or
12 civic or social groups. The local Fire District is a "COUNTY"
13 Rural Fire Protection District. There is a Water Distict but it
14 serves more persons living inside the city of Klamath Falls.
15 The United States Postal Service uses "Klamath Falls" as a route
16 for Keno.

17 4. If allotted, a class C-2 channel to Lakeview, Oregon
18 Contour Communications will apply for use of the channel and seeks
19 to have this counter-proposal accepted and the Keno, Oregon
20 petition dismissed for lack of community basis.

21 Dated Sept. 16, 1993.

Respectfully,

24 Jon Bruce Thoen
25 Presinent & CEO
