Dear Chairman Pai,

I write to support the Comments of the Cable Act Preservation Alliance ("CAPA") and to disapprove of the proposals and tentative conclusions set forth in the FCC's September 25 Further Notice of Proposed Rule Making in Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992, MB Docket 05- 311.

ACMI is an impactful community organization, which encourages, inspires, and educates the local community of the arts, media, and knowledge around them. The number of children and teens that pass through ACMI is surmountable. The employees' there care deeply about showing the community what they can do and how they can encourage creativity for a healthy balanced life.

I highly encourage the support of ACMI and the future of the Cable Act Preservation Alliance.

Sincerely,

Emily Chang
