Re: GCI Communication Corp., Update to WEA Election Status
PS Docket Nos. 08-146, 15-91, 15-94

Dear Ms. Dortch,

Based on recent clarifications contained in the Wireless Emergency Alerts (“WEA”) Second Report and Order (FCC 18-4), and pursuant to 47 C.F.R. § 10.210 of the Federal Communications Commission’s (the “Commission’s”) rules, GCI Communication Corp. (“GCI”), including its wholly-owned subsidiary, the Alaska Wireless Network, LLC (“AWN”), hereby updates its WEA election status. By this filing, GCI elects to participate “in part” in WEA and agrees:

- to transmit such WEA messages in a manner consistent with the technical standards, protocols, procedures, and other technical requirements implemented by the Commission; and
- to support the development and deployment of technology for the “C” interface, the CMS provider Gateway, the CMS provider infrastructure, and mobile devices with WEA functionality and support of the CMS provider selected technology.

If you have any questions, please contact the undersigned.

Respectfully submitted,
