ERRATUM TO COMMENTS OF SONY CORPORATION OF AMERICA

On Friday July 17, 1992, Sony Corporation of America ("Sony") filed comments in the above-referenced proceeding. A copy of the cover page of these comments bearing the Commission's date stamp is attached hereto. Due to a mechanical problem with the photocopying machine, pages ii-iii of the pleading Summary were copied, in part, on the same page and thus are illegible. In addition, the Summary contained a few inadvertent typographical errors. At the request of the Commission's staff, rather than separately file corrected copies of the Summary, Sony hereby submits six complete copies of its comments containing the corrected Summary.

Respectfully submitted,

SONY CORPORATION OF AMERICA
