**(a)(9)** There are no other Commission applications related to this transaction.

**(a)(10)** The Applicants are not requesting special consideration because either party or its subsidiaries and affiliates to the transaction are facing imminent business failure.

**VI. CONCLUSION**

For the reasons stated above, Applicants respectfully submit that the public interest, convenience, and necessity would be furthered by a grant of this Application. Applicants respectfully request that the Commission approve the proposed Transaction as soon as possible.
