Re: Connect America Fund - Alaska Plan, WC Docket Nos. 10-90 and 16-271

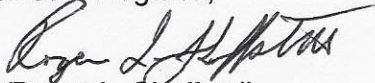

Dear Ms. Dortch,

On December 21, 2016, the FCC released Public Notice (PN) DA 16-1425, therein, my Company's Identity is inadvertently misconstrued and its Study Area Code (SAC) 613028 is omitted;

Also therein, "For administrative convenience, the Bureau briefly defers action on" the proposed Alaska Plan performance plan that my Company [**"The Summit Telephone & Telegraph Company of Alaska, Inc." d/b/a Summit Telephone Company (SAC 613028)**], had previously submitted, "pending resolution of whether these Carriers are ultimately authorized for A-CAM support."

Without prejudice - I thereby / hereby - certify that The Summit Telephone & Telegraph Company of Alaska, Inc. d/b/a Summit Telephone Company (SAC 613028) [Summit] will comply with the public interest obligations adopted in the **Alaska Plan Order** and the deployment obligations set forth in Summit's deferred Alaska Plan performance plan - if Summit's pending A-CAM Application / Selection is ultimately withdrawn and/or disqualified.

Sincere Regards,

s/Roger L. Shoffstall
President
