MBA Reports: 7th & 8th

Early data release

MBA 2016

MBA 2016 Data Set

- ✓ Review of September / October 2015 dates included.
- ✓ Report states dates are: September 29th - 30th, October 2nd - 7th and October 10th - 31st
- ✓ The full list of accepted dates were used in the report rather than the 30 day subset. This accounts for 46 days data in total.
- ✓ Additional dates are September 4th - 6th, September 10th, September 12th - 15th, September 21st - 28th.
- ✓ Review of impact on results and this is on average 0.1% over key metrics.
- ✓ Recommendation to issue errata to MBA 2016 report to update the list of dates reported on.

Date Selection

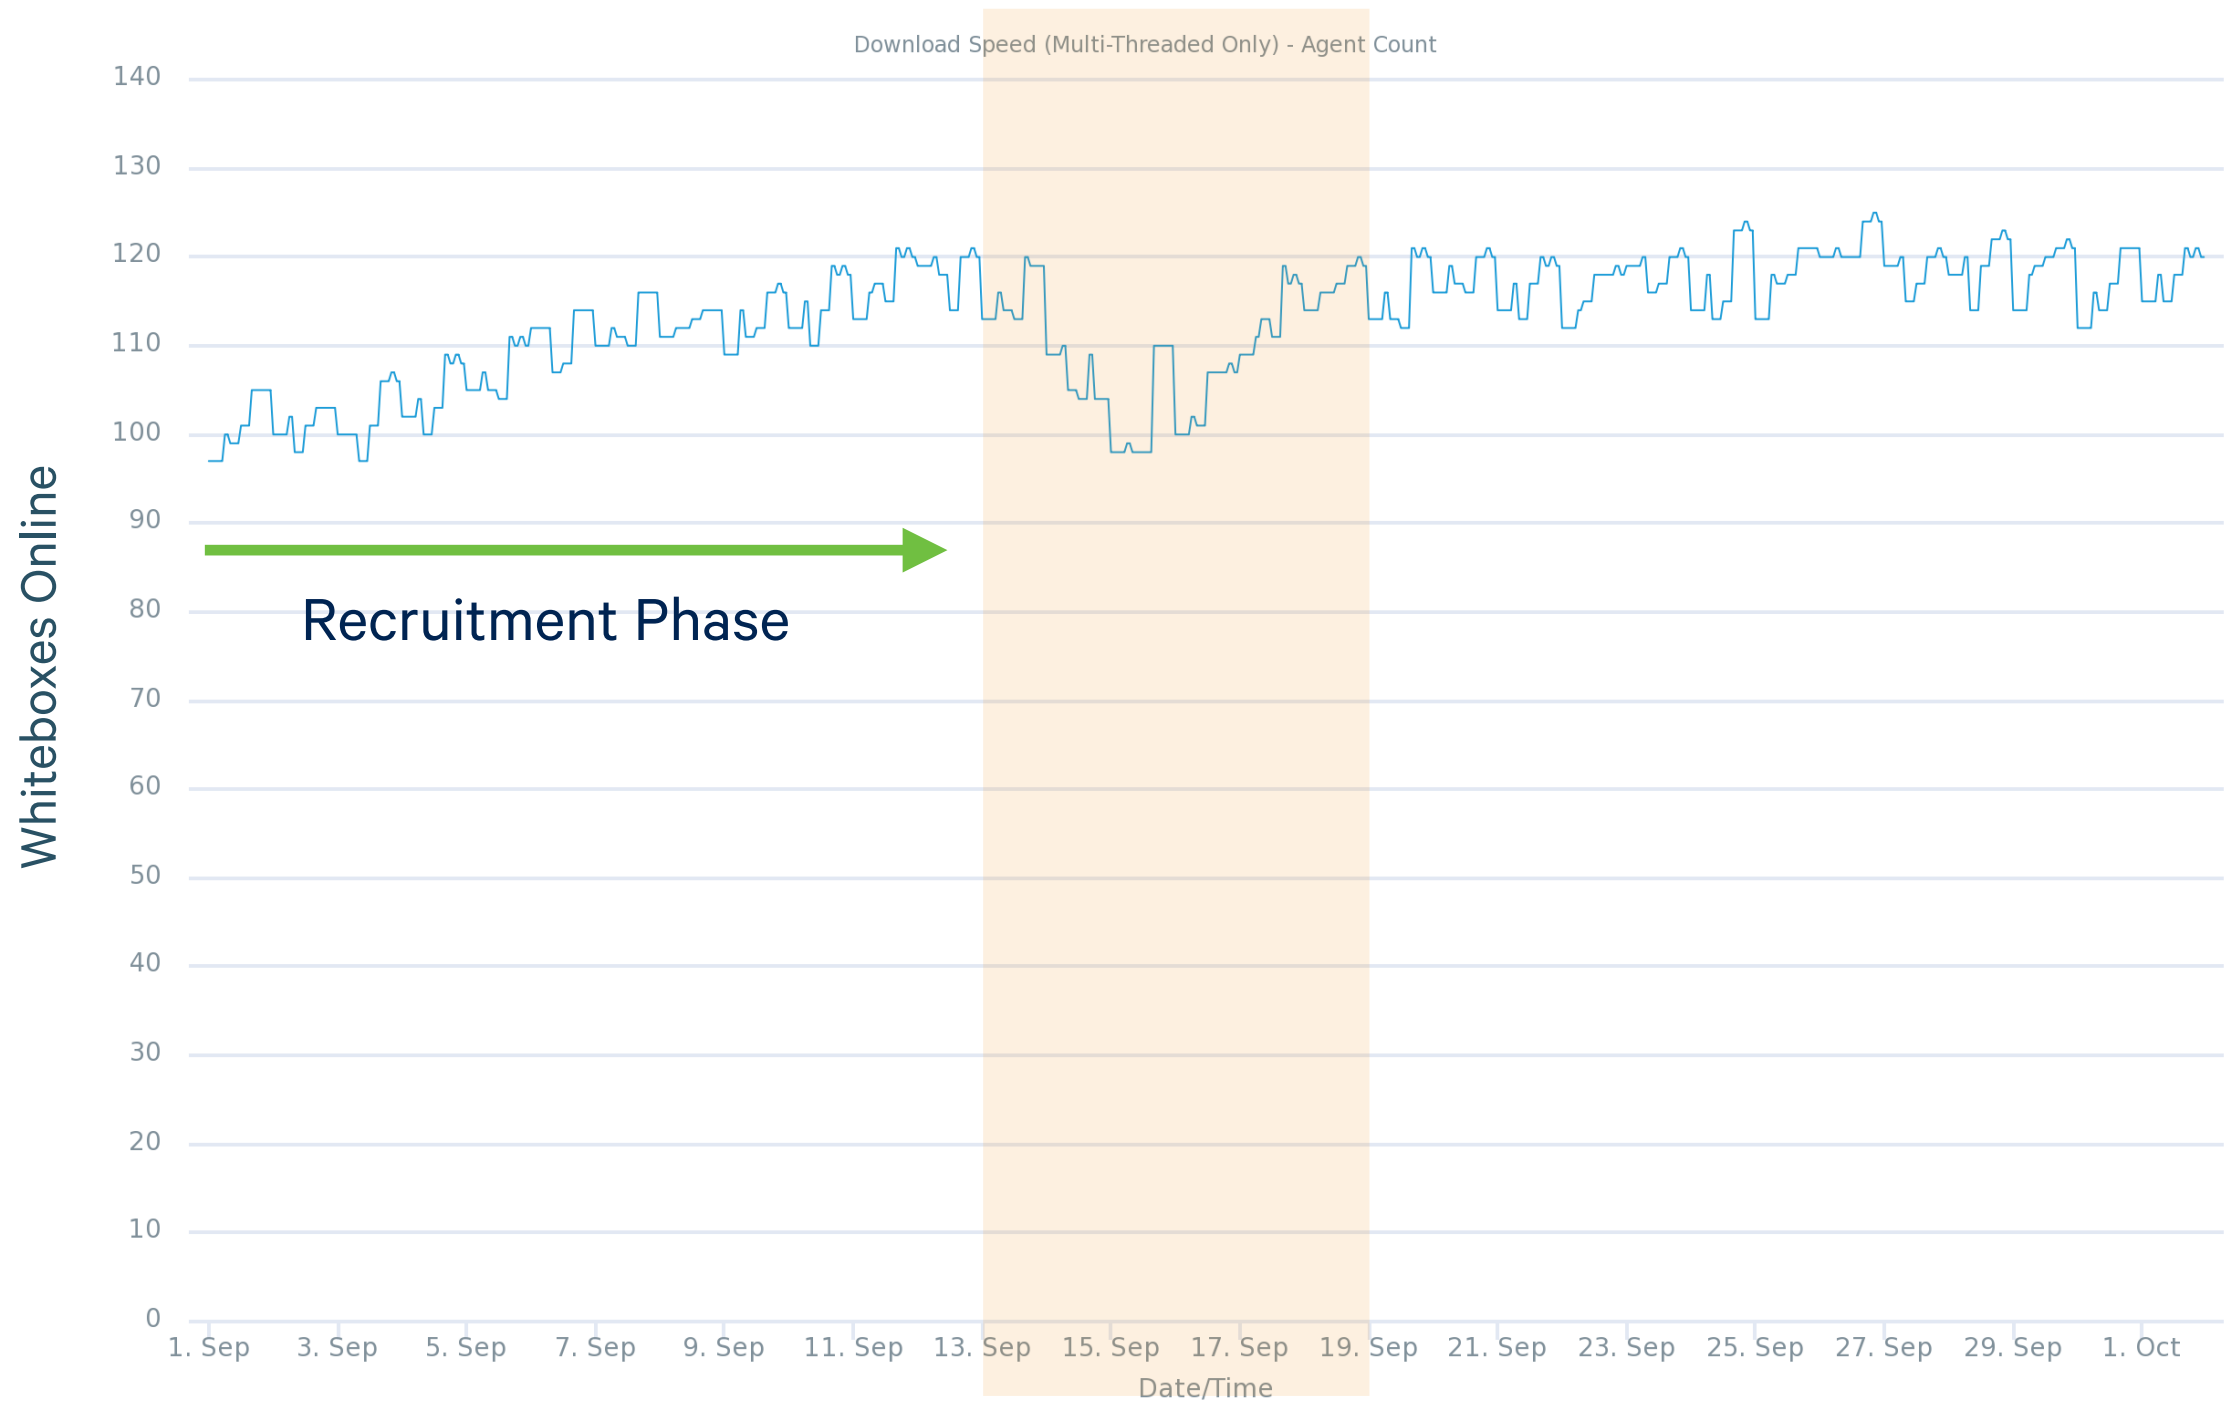

9th MBA

Report (2019)

MBA 9th Report (2019): Potential dates

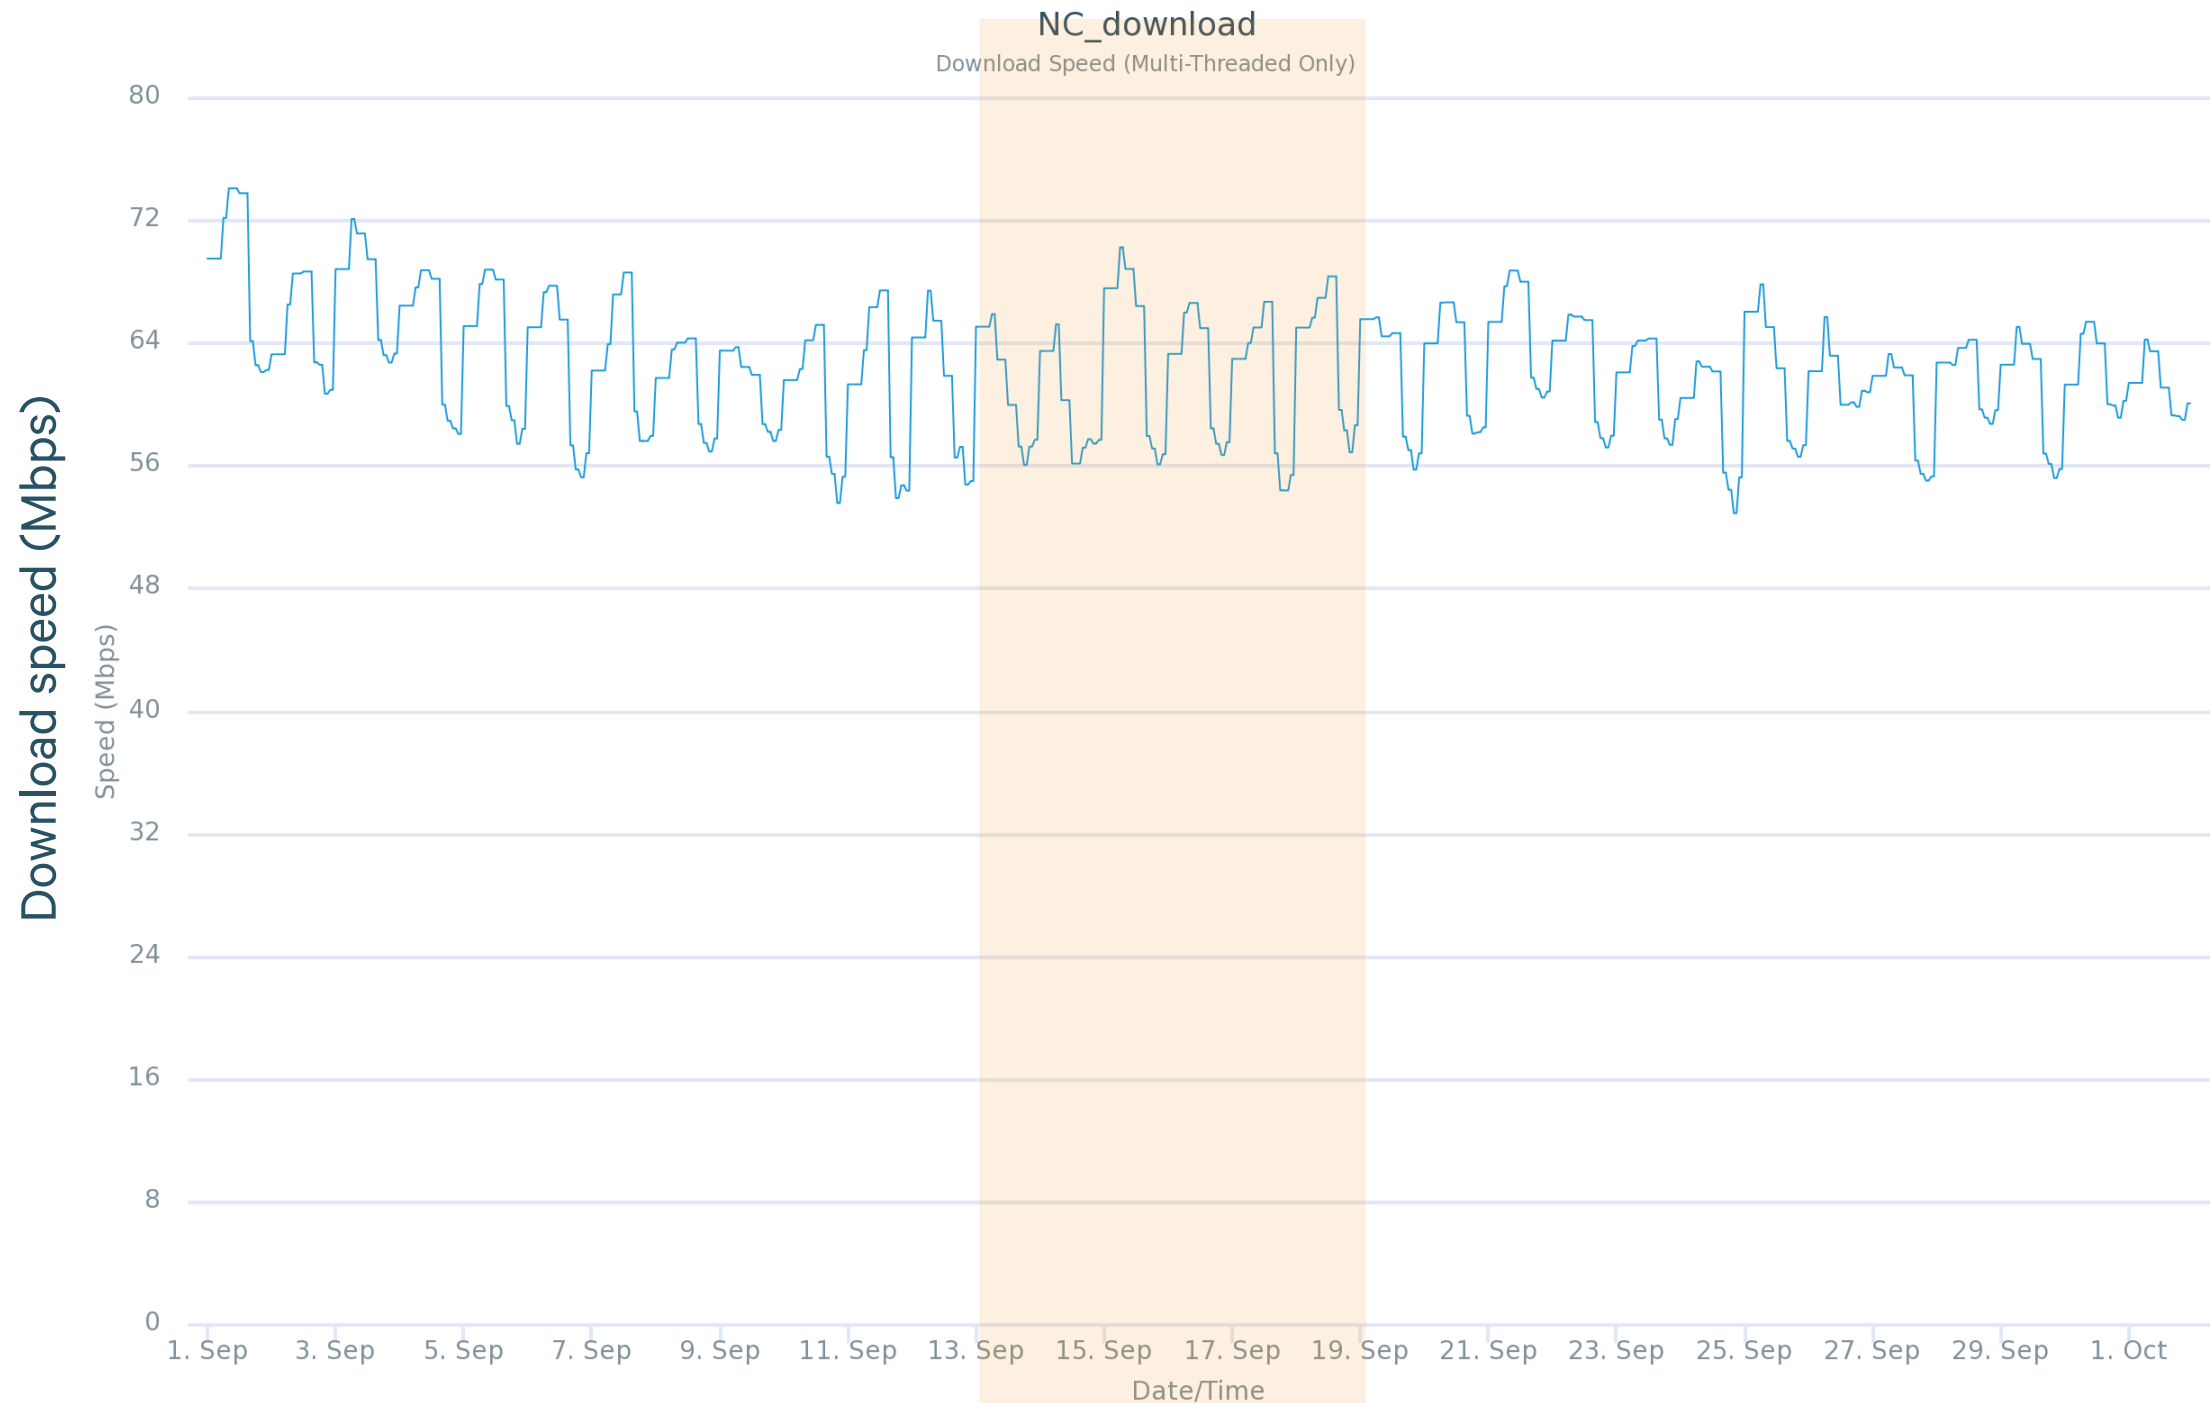

- Final review of dates to occur after reporting period complete
- Need to take into account: iOS release, tropical storms / hurricane impact, server review, any validations or tier moves flagged by ISPs
- May need to extend the reporting month to take into account some of November depending on impact assessment and review.
- Final dates to be shared at next collaborative meeting: Thursday 29th November 2018.
