MEMORANDUM OPINION AND ORDER

Issued: December 2, 1993 ; Released: December 3, 1993

1. By Order released on November 5, 1993, the above-entitled matter was assigned to the Presiding Judge. The prehearing conference was scheduled for January 5, 1994, and the hearing for March 17, 1994.

2. On November 23, 1993, this office was notified by Counsel for The University Foundation California State University at Chico (University Foundation) that it was withdrawing its application for a new noncommercial FM station on Channel 215 in Redding, California, which, it states, renders this proceeding moot.

3. The University Foundation's request that it be granted leave to withdraw its application will be granted below. By granting the requested relief, the mutual exclusivity between the application of The University Foundation and that of the State of Oregon acting by and through the State Board of Higher Education and for Southern Oregon State College (Oregon State) will be eliminated, thereby permitting a grant of Oregon State's application without any further delay. Accordingly, the application for a modification of an existing noncommercial radio Station KSKF(FM), Klamath Falls, Oregon, filed by Oregon State, which, it is noted, has been found by the Commission in its Hearing Designation Order (DA 93-1253), released on November 2, 1993, to be fully qualified to construct and operate as proposed will be granted, and this proceeding will be terminated.

IT IS ORDERED, that the application of The University Foundation California State University at Chico (File No. BPED-920316ME), pursuant to its request, IS DISMISSED with prejudice; and that the application of the State of Oregon acting by and through the State Board of Higher Education and for Southern Oregon State College for modification of noncommercial station KSKF(FM), Klamath Falls, Oregon (File No. BPED-920630ME) IS GRANTED; and that this proceeding IS TERMINATED.
