Re: Ex parte presentation in  
ET Docket No. 93-7

Dear Mr. Caton:

Geoff Roman, Quincy Rodgers, Jeff Krauss and I met with Dr. Thomas Stanley, Bruce Franca, Julius Knapp, and Bill Inglis of the Office of Engineering and Technology today in connection with Docket 93-7 on behalf of General Instrument Corporation. Mr. Roman described the status of deliberations in the Cable-Consumer Electronics Advisory Group and General Instrument's concern that industry dynamism could be impaired by premature adoption of standards.

Sincerely,

  
Philip L. Verveer

cc: Dr. Thomas Stanley
