DECLARATION

I, James Kefford, do hereby declare that:

1. During the week of November 22, 1993, radio station KRSH(FM), Middletown, California began the broadcasting of programming, including commercials. At approximately the same time, I became aware that KRSH(FM) was broadcasting from studios located at 10 Fourth Street, Santa Rosa, California.

2. I, along with Gordon Zlot, subsequently called the offices of KRSH(FM) at 10 Fourth Street and inquired as to the location of the station's main studio. We were informed that the KRSH(FM) main studio was located at 2121 Diamond Mountain Road, Calistoga, California.

3. Gordon Zlot and I visited the main studio of KRSH(FM) at 2121 Diamond Mountain Road, Calistoga, on December 13, 1993 at approximately 3:10 p.m. We observed that the location of the KRSH(FM) main studio is the residence of Frederic W. Constant. In visiting this location, we found a framed notice on the door of a small building. The notice stated "Main Studio of Radio Station KRSH". The building upon which this notice was fixed was a former spring house or milk house of one story in height and approximately ten feet by ten feet in size. The notice on the door of this small building stated that the station's office hours were 8:00 a.m. to 6:30 p.m. The notice further indicated that if no one was there, the sign clock below would indicate a return time. The sign clock indicated a return time of 6:30 p.m.

4. As the door to this small building labeled main studio was ajar, we knocked, and receiving no answer, we entered.

Inside, we observed a desk, a telephone, an answering machine, and about 50 cases of wine. There was no visible broadcast equipment. This building showed no visible STL link.

5. We then walked approximately ten yards to the main entrance of the adjacent residence, rang the bell and knocked. We received no answer. Adjacent to this residence was a vineyard. A worker from the vineyard came over and asked if we needed help. We stated that we were looking for the radio station manager or operator. This worker stated to us that there is no one there during the day and that the people leave early and come home late.

6. We then drove to Middletown and visited the station's local public file at the Lake County Title Co., 15768 Main Street, Middletown. While in Middletown, we listened to KRSH(FM). The signal in Middletown was not sufficient to keep the stereo light indicator operable on the car radio. Santa Rosa stations appeared to have much better reception in Middletown than KRSH(FM).

7. I am aware that the original application of KRSH(FM) stated that Robert L. Cross will be general manager of the station and work a minimum of 40 hours per week supervising the overall operations of the station and the employees. Even though the station has commenced operations, it is my understanding that Robert L. Cross is not general manager of KRSH(FM), but rather is a full-time employee of North County Communications in Ukiah, California.

Executed this 29 day of December, 1993 under penalty of perjury.
